A Fatal Secret (Ryder and Loveday, Book 4)

HarperCollins Australia
Finding Nouf's Katya Hijazi and Nayir Sharqi return for another thrilling, fast-paced mystery that provides a rare and intimate look into women's lives in the Middle East. Women in Saudi Arabia are expected to lead quiet

lives circumscribed by Islamic law and tradition. But Katya, one of the few women in the medical examiner's office, is determined to make her work mean something.

When the body of a brutally beaten woman is found on the beach in Jeddah, the city's detectives are ready to dismiss the case as another unsolvable murder—chillingly common in a city where the veils of conservative Islam keep women as anonymous in

life as this victim is in death. If this is another housemaid killed by her employer, finding the culprit will be all but impossible. Only Katya is convinced that the victim can be identified and her killer found. She calls upon her friend Nayir for help, and soon discovers that the dead girl was a young filmmaker named Leila, whose controversial documentaries earned her many enemies. With only the woman's clandestine footage as a guide, Katya

and Nayir must confront the dark side of Jeddah that Leila struggled to expose: an underworld of prostitution, violence, exploitation, and jealously guarded secrets. Along the way, they form an unlikely alliance with an American woman whose husband has disappeared. Their growing search takes them from the city's car-clogged streets to the deadly vastness of the desert beyond!--EndFragment--

House of Glass Booksmango

With House Of Glass comes the final chapter of Pramoedya's epic quartet, set in the Dutch East Indies at the turn of the century. A novel of heroism, passion, and betrayal, it provides a spectacular conclusion to a series hailed as one of the great works of modern literature. At the start of House of Glass, Minke, writer and leader of the dissident movement, is now imprisoned—and the

narrative has switched to Pangemanann, a former policeman, who has the task of spying and reporting on those who continue the struggle for independence. But the hunter is becoming the hunted. Pangemanann is a victim of his own conscience and has come to admire his adversaries. He must decide whether the law is to safeguard the rights of the people or to control the people. He fears the loss of his position, his family, and his self-respect. At last Pangemanann sees that his true opponents are not Minke and his followers, but rather the dynamism

and energy of a society awakened.

double life. After an arranged marriage in her native India, Priya moves with her husband to California, where they share a house with his parents. Playing the traditional daughter-in-law role, she 's expected to clean, cook, and—because she doesn ' t immediately get pregnant—find a job as well! But the job, at a glossy Hollywood gossip magazine, isn ' t at all what Priya ' s in-laws had in mind for a traditional Indian wife. She soon finds herself with a secret life that she must hide from her disapproving new family. All the while, she is growing into a marriage with a man whose loyalty is decidedly torn between his parents and his bride. This is hardly surprising, given that he met his wife only a week before their wedding. The question is, can this fragile new love survive the pull

between tradition and ambition?

Child of All Nations North Star Editions, Inc.

The English-language debut of Indonesia's rising star.

The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead.

Kurniawan ' s gleefully grotesque hyperbole functions as a scathing

critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol,

Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.
