*Body Confidence* Simon and Schuster

Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

*Tapping Into Wealth* Hay House, Inc

The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. *The Tapping Solution for Manifesting Your Greatest Self* guides you through a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you like--with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. "We're going to work together to let your light shine brighter than ever before," Nick writes, "to create the life experiences you most deserve and desire." Ready? Then let's get tapping!

A step-by-step guide to the simple acupressure self-care technique of tapping for acute and chronic emotional,

psychological, and physical ailments • Effective for emotional conditions such as panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases • Shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration • Offers the full tapping protocol as well as a shortened version for acute situations • Illustrates easily accessible points to tap and in what order Tapping, or Emotional Freedom Technique (EFT), is a simple form of acupressure that treats the energetic roots of emotional and physical suffering. By tapping on specific meridian points you can quickly and easily dissolve blockages in the body's energy system, caused by past traumas and suppressed emotions such as grief and anger, and restore the natural flow of energy in your body, the key to optimal health and overall well-being. In this step-by-step guide to EFT, Sophie Merle details the practice of tapping, illustrating the easily accessible points on the face, hands, and torso to tap and in what order. Explaining how to open your energetic system to EFT treatment for fast and long-lasting results, she reveals how the energy psychology practice of tapping can be applied to any area of your life but is particularly effective for emotional and psychological conditions, including panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases. She also shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; assist physical healing from illness; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration. The author explains how tapping can be done anywhere, offering both the full tapping protocol, which only takes a few minutes, and a short-form version, which takes less than a minute, for acute issues. Including remarkable success stories of EFT in practice, this comprehensive guide to tapping shows how the solution to many of life's problems is at your fingertips.

EFT Tapping: Overcome Stress, Fatigue and Emotional Problems Do you feel stressed out a lot of the time? Do you often feel tired and worn out? Is your mind occupied with problems and do you struggle with emotional issues? You're not alone! These are common issues that a lot of people face today. Fortunately, there are plenty of good methods that can be used to resolve these kinds of issues. There's cognitive therapy, talk therapy, meditation, yoga, etc. These methods can definitely be helpful. However, they are not always as easy to learn and seeing a therapist can get pretty expensive. This book deals with a different technique that may work better for you: EFT Tapping. It is effective, easy to learn and quick to do: you can already feel better after just a few minutes! Also, EFT is a simple self-help technique so you don't need an expensive therapist. In this book you will learn how to do a standard EFT Tapping session to work on any issue you may have. Additionally, the book focuses on a few specific issues, providing tapping sequences and scripts to help you: de-stress; re-energize; and overcome emotional problems, such as low self-esteem, depression and anxiety. Discover EFT Tapping Emotional Freedom Technique or EFT is a psychological acupressure technique that involves tapping near the end points of energy meridians in your body. EFT is an effective combination of mind-body medicine and acupressure that can help with physical, mental and emotional health issues. EFT Tapping borrows much of its healing process from the meridian system that traditional acupuncture has used for over 5,000 years. Whereas acupuncture focuses primarily on the treatment of physical ailments, EFT addresses and relieves both physical and mental issues. In essence,

EFT Tapping combines the cognitive benefits of conventional therapy with the physical benefits of acupuncture. EFT is also a less invasive technique in that it stimulates meridian points by tapping with the fingertips, rather than by using needles. EFT works by tapping away negative energy blockages and disturbances. It thereby helps restore your energy flow in its natural balanced state, which is ideal for overall health and well-being. Through EFT, many people have: improved their personal performance; strengthened their relationships; freed themselves from limiting beliefs; and achieved a vibrant physical and mental health. Improve Your Life with EFT Tapping EFT Tapping has been proven useful in healing, or reducing the intensity of, physical illnesses and emotional problems. In this book you will learn the 5 basic steps of a classic EFT exercise, which you can use to work on any specific issue you may have. You will also learn an alternative tapping sequence called the EFT Heart and Soul Protocol, so that you can add variety to your exercises and choose the tapping protocol you're most comfortable with. The book is instructive and to the point: it uses diagrams to illustrate tapping points and also includes a list of videos to practice and improve your tapping skills. Millions of people around the world already use EFT for a happier, healthier and more balanced life. Use the information you'll find in this book to improve your condition, resolve any emotional or internal conflicts you may be experiencing or any problems you may be facing. Why not give it a try? Take advantage of EFT to be more positive and happy. Use EFT Tapping to make your life better!

PLEASE NOTE: This is a key takeaways and analysis of the book and NOT the original book. Start Publishing Notes' Summary, Analysis, and Review of Summary, Analysis, and Review of Nick Ortner's *The Tapping Solution: A Revolutionary System for Stress-Free Living* includes a summary of the book, review, analysis & key takeaways, and detailed "About the Author" section. PREVIEW: Nick Ortner's *The Tapping Solution: A Revolutionary System for Stress-Free Living* presents the basic principles and practice of tapping. Tapping, or Emotional Freedom Techniques (EFT), is a system for relieving emotional and physical stress and illness.

Tapping is based on principles of Chinese acupuncture and Western psychology. It can quickly and effectively eliminate anxiety, phobias, pain, and many physical illnesses. Tapping was developed by Dr. Robert Callahan and his student Gary Craig beginning in 1979. It is based on the meridian points used in acupuncture. Meridians are energy channels for the body's life force. Meridians have end points on the body's surface, which can be manipulated with needles or fingers to unblock energy flows. More than 100 million Americans deal with chronic pain every day. And if you're one of them, you've probably tried all the normal "solutions": doctors, injections, medications, and surgeries. While these all have a place in healing, they have fallen short in dealing with the pain epidemic. So what can you do? In *The Tapping Solution for Pain Relief*, Nick Ortner presents a startling alternative. He lays out a step-by-step plan that teaches you how to use tapping, or EFT (emotional freedom techniques), to reduce or eliminate chronic pain. Looking at the scientific research surrounding pain, stress, and tapping, he opens your eyes to just how powerful tapping can be, and then outlines tips and techniques to address pain in both the short and long term. Nick guides you on a journey that begins on the surface—tapping to address the pain itself—and moves to the deeper issues that often affect pain. With easy-to-follow tapping scripts and exercises, Nick helps you heal the emotional pain and underlying beliefs that often keep people stuck. He also addresses topics that you may not think of as associated with chronic pain, such as: • Creating personal boundaries • Dealing with toxic relationships • Clearing resistance to change • Understanding the power of a diagnosis • Working through anger There are many ways the brain and body can create, increase, and prolong pain. After reading this book, you'll not only understand what's causing your pain but also how to achieve complete and lasting relief. But let's face it; this is about more than just pain relief. It's about empowering yourself to take back your body in order to live the life you want.

Navigate change with clarity and ease using the tools of EFT in this guide from New York Times best-selling author and Tapping expert Jessica Ortner. "The Tapping Solution to Create Lasting Change gets right down to the heart of what it takes to change and have a better, healthier, and more love-filled life." -- Christiane Northrup, M.D. Why do we fear the unknown so intensely that we're willing to shy away from our deepest desires and settle for playing small? Why do we get enthused

when we first start something, only to burn out the moment things feel challenging? And why, even when we get the outcomes we desire, do we often struggle to sustain them and instead slip back into old, self-sabotaging patterns? In *The Tapping Solution to Create Lasting Change*, available for the first time in paperback, New York Times best-selling author Jessica Ortner shares the lessons she's learned about what it feels like to flow through change and how to bring about real transformation in ways that are both authentic and empowering. Her gentle, relatable guidance shows you how to use Tapping, also known as EFT, as a tool for finding the clarity and the ease you crave to move forward; how to navigate the unknown with new energy, hope and an open heart; and how to release the doubts and fears that are clouding your judgment so you can rediscover your true path. It's a new way to look at the one unavoidable constant in life--change--not as an obstacle in our path but as a doorway to joy.

Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.

"The feeling was electric-energy humming through my body. I felt like blood was pouring into areas of my tissues that it had not been able to reach for some time. It was relieving and healing, subtler than the feeling from getting off on drugs, but it was detectable and lovely, and of course, there was no hangover, just a feeling of more ease than I could remember. I felt a warmth come over me similar to what I felt when I had done heroin, but far from the darkness of that insanity, this was pure light-a way through." - Tommy Rosen, on his first yoga experience Most of us deal with addiction in some form. While you may not be a fall-down drunk, anorexic, or a gambling addict, you likely struggle with addiction in other ways. Workaholism, overeating, and compulsively engaging with technology like video games, texting, and Facebook are also highly common examples. And if you don't suffer from addiction, chances are you know someone who does. Through more than 20 years of recovery and in working professionally with others, Tommy Rosen has uncovered core elements of recovery and healing, what he refers to as Recovery 2.0. In the book, he shares his own past struggles with addiction, and powerful, tested tools for breaking free from the obstacles that stand in the way of a holistic and lasting recovery. Building off the key tenets of the 12-Step program, he has developed an innovative approach that includes

- Looking at the roots of addiction; your family history and "Addiction Story"
- Daily breathing practices, meditation, yoga, and body awareness
- A healthy, alkaline-based diet to aid with detox, boost immunity, increase vitality, support your entire recovery, and help prevent relapse
- Discovering your mission, living on purpose, and being of service to others

Recovery 2.0 will help readers not only release their addictions, but thrive in their recovery.

"Clinical trials show that up to 80 percent of patients given a placebo heal themselves with the power of the mind alone. But how? There is documented evidence that beliefs, thoughts, and feelings can cure the body ... this book not only reveals the data from mainstream medical journals; it tells you step-by-step how you can implement this knowledge to make your body ripe for spontaneous remission or disease prevention ... Western-trained physician Lissa Rankin, M.D. pored over hundreds of objectively evaluated, peer-reviewed studies from medical journals to find proof not just that thoughts and feelings originating in the mind can heal the body, but also that there are clear physiological mechanisms explaining how this happens ... she explains how this process works, proves with extraordinary case studies from the medical literature that it does, and teaches practical techniques you can use to activate the body's natural self-healing mechanisms, while shutting off the processes that predispose to illness. She also guides you through the process of uncovering where you might be making unhealthy choices, not just in your diet, exercise program, and sleep habits, but in your relationships, your professional life, your creative life, your spiritual life, and more-- so that you can create a customized treatment plan"--

Created by the expert hosts of the popular *Well-Fed Women Podcast*, a step-by-step food and fitness plan for women, that teaches them how to improve their health by changing the quality—not the quantity—of the food they eat. To eat your way to better health, you don't need to limit your calorie intake, or cut out carbs or fat. You don't need to count "points." Better health doesn't come from limits. It comes from focusing on the quality of food that you eat—not the quantity. Instead of limiting your food intake you should be enriching it, argue Noelle Tarr and Stefani Ruper. The popular hosts of the *Well-Fed Women Podcast* want you to focus on the good things you eat. They want to make sure you get enough food so that your body has the fuel and nourishment it needs to support a healthy, long, and energetic life. Noelle and Stefani know about eating for health firsthand. They, too, struggled with confusing and frustrating medical conditions, including infertility, digestive issues, acne, polycystic ovarian syndrome, hypothyroidism, and anemia. They discovered that the secret to improving wellness was actually more food: they ditched the diet books, calorie counters, and scales, and started eating their way to health. In *Coconuts and Kettlebells*, you'll eat at least 2,000 calories a day thanks to a delicious selection of dishes that are all gluten-free, grain-free, and paleo. Within those 2,000 calories, setting a minimum intakes of protein, fat, and carbohydrates instead of the usual maximums will ensure that your diet is full of nutrients, while also providing flexibility to enjoy what you're eating. Noelle and Stefani identify the Big Four foods—grains, dairy, vegetable oils, and refined sugar—that cause the most health problems among women. While many diets require you to eliminate these foods entirely, *Coconuts and Kettlebells* provides an easy-to-follow step-by-step program to test these foods and determine which you need to cut back on—and which you don't—to feel better. To help you discover how your body responds to the Big Four, you'll choose from two simple 4-week meal plans: one for the *Butter Lover* (people who tend to feel more satisfied eating higher ratios of fats) and one for the *Bread Lover* (people who tend to feel more satisfied eating higher ratios of carbs). Each meal plan comes with a weekly shopping list, a guide to kitchen tools and equipment, and instructions on how to batch cook, meal prep, and stock the pantry. In addition, you'll have access to over 75 gluten-free and paleo-friendly flavor-packed recipes (free of the Big Four foods) for every meal of the day, including: Coconut Chai Latte Kale and Bacon Breakfast Skillet Apple Pie Smoothie Thai Coconut Curry Shrimp Moroccan Lamb Meatballs Shrimp and Cabbage Stir Fry Parsnip and Carrot Fries Mango Jalapeno Salsa Chocolate Cherry Energy Bites Lemon Raspberry Mini Cheesecakes To go along with the meal plans, Noelle and Stefani also provide three 4-week fitness plans tailored to three experience levels: beginner, intermediate, and advanced.

All of the workouts can be done anywhere—at your home or on the road—and take no more than thirty minutes. A comprehensive whole body program to get and keep you healthy inside and out, *Coconuts and Kettlebells* provides the knowledge and tools you need to heal in a way that is effortless, rewarding, confidence-boosting, and everlasting. *Coconuts and Kettlebells* is illustrated with color photos throughout.

Have you ever entered a room and it just didn't feel right, yet you couldn't explain why? Do you sense a natural comfort with some people but are immediately stressed by others? The truth is that we're all influenced far more than we realize by the invisible energy of the people and places around us. This, along with difficult experiences in your past that still weigh you down, can keep you from being a creative force in your life. Clearing is a gentle but powerful way to release the old stress you're still carrying from your life history, as well as transform how you're affected by the energy around you each day. Many people experience immediate shifts in their energy during a clearing, and significant change often unfolds in the days and weeks afterward. In fact, clearing has even been described as "accelerated meditation" because it can lead to a sense of calm and happiness that typically results only after years of a mindfulness practice. In this simple, elegant guide, Jean Haner teaches you, in easy-to-follow steps, how to clear your own energy or that of any person, as well as bring harmony to the energy of the spaces you inhabit, so you can reclaim your vitality and joy, and open up infinite new possibilities in life. Healers, intuitives, energy workers, highly sensitive people, and anyone who just wants to optimize their energy and live their best life will find this to be the perfect training. Jean refines energy clearing to its pure essence—the power of the compassionate heart!
