Virginia Woolf's groundbreaking novel, in a lushly illustrated hardcover edition with illuminating commentary from a brilliant young Oxford scholar and critic. "Mrs. Dalloway said she would buy the flowers herself." So begins Virginia Woolf's much-beloved fourth novel. First published in 1925, Mrs. Dalloway has long been viewed not only as Woolf's masterpiece, but as a pivotal work of literary modernism and one of the most significant and influential novels of the twentieth century. In this visually powerful annotated edition, acclaimed Oxford don and literary critic Merve Emre gives us an authoritative version of this landmark novel, supporting it with generous commentary that reveals Woolf's aesthetic and political ambitions—in Mrs. Dalloway and beyond—as never before. Mrs. Dalloway famously takes place over the course of a single day in late June, its plot centering on the upper-class Londoner Clarissa Dalloway, who is preparing to throw a party that evening for the nation's elite. But the novel is complicated by Woolf's satire of the English social system, and by her groundbreaking representation of consciousness. The events of the novel flow through the minds and thoughts of Clarissa and her former lover Peter Walsh and others in their circle, but also through shopkeepers and servants, among others. Together Woolf's characters—each a jumble of memories and perceptions—create a broad portrait of a city and society transformed by the Great War in ways subtle but profound ways. No figure has been more directly shaped by the conflict than the disturbed veteran Septimus Smith, who is plagued by hallucinations of a friend who died in battle, and who becomes the unexpected second hinge of the novel, alongside Clarissa, even though—in one of Woolf's many radical decisions—the two never meet. Emre's extensive introduction and annotations follow the evolution of Clarissa Dalloway—based on an apparently conventional but actually quite complex acquaintance of Woolf's—and Septimus Smith from earlier short stories and drafts of Mrs. Dalloway to their emergence into the distinctive forms devoted readers of the novel know so well. For Clarissa, Septimus, and her other creations, Woolf relied on the skill of "character reading," her technique for bridging the gap between life and fiction, reality and representation. As Emre writes, Woolf's "approach to representing character involved burrowing deep into the processes of consciousness, and, so submerged, illuminating the infinite variety of sensation and perception concealed therein. From these depths, she extracted an unlimited capacity for life." It is in Woolf's characters, fundamentally unknowable but fundamentally alive, that the enduring achievement of her art is most apparent. For decades, Woolf's rapturous style and vision of individual consciousness have challenged and inspired readers, novelists, and scholars alike. The

Annotated Mrs. Dalloway, featuring 150 illustrations, draws on decades of Woolf scholarship as well as countless primary sources, including Woolf's private diaries and notes on writing. The result is not only a transporting edition of Mrs. Dalloway, but an essential volume for Woolf devotees and an incomparable gift to all lovers of literature.

Virginia Woolf and the Great War TarcherPerigee
Night and Day is a novel by Virginia Woolf first published on 20 October 1919. Set in Edwardian London, Night and Day contrasts the daily lives and romantic attachments of two acquaintances, Katharine Hilbery and Mary Datchet. The novel examines the relationships between love, marriage, happiness, and success. Dialogue and descriptions of thought and actions are used in equal amount, unlike in Woolf's later book, To the Lighthouse. There are four major characters, Katharine Hilbery, Mary Datchet, Ralph Denham, and William Rodney. Night and Day deals with issues concerning women's suffrage, if love and marriage can coexist, and if marriage is necessary for happiness. Motifs throughout the book include the stars and sky, the River Thames, and walks. Also, Woolf makes many references to the works of William Shakespeare, especially As You Like It.

One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

Night and Day is a novel by Virginia Woolf first published on 20 October 1919. Night and Day is a novel by Virginia Woolf, set in Edwardian London. It focuses on the relationships and daily lives of two main female characters, Mary Datchet and Katharine Hilbery. From different backgrounds (Katherine is the granddaughter of a celebrated poet; Mary is the daughter of a country vicar), and not interacting that much in the book, it is through these two that Woolf explores issues such as women's suffrage, and marriage. Specifically whether marriage is needed to achieve happiness.

A Room of One's Own Houghton Mifflin Harcourt

A Companion to Virginia Woolf is a thorough examination of her life, work, and multiple contexts in 33 essays written by leading scholars in the field. Contains insightful and provocative new scholarship and sketches out new directions for future research Approaches Woolf's writing from a variety of perspectives and disciplines, including modernism, post-colonialism, queer theory, animal studies, digital humanities, and the law Explores the multiple trajectories Woolf's work travels around the world, from the Bloomsbury Group, and the Hogarth Press to India and Latin America Situates Woolf studies at the vanguard of contemporary literature scholarship and the new modernist studies

From the author of *Ice Diaries*, winner of the Banff Mountain Film and Book Festival Grand Prize, praised by the *New York Times* as "stunningly written" and a *Guardian Best Book* of 2018. An unflinching exploration of love and boundaries in Brexit-crazed London. Richard Cottar is a respected independent film writer and director; his wife, Joanna, is his increasingly successful and wealthy producer. Together they are about to embark on a film about the life of Walter Benjamin, the German Jewish intellectual who killed himself in northern Spain while on the run from the Nazis in 1940. In what looks set to be the last year of Britain's membership of the European Union, Benjamin's story of exile and statelessness is more relevant than ever. But Richard and Joanna's symbiotic life takes a sudden turn when they cast an intelligent, sexually ambiguous young actor in the role of Walter Benjamin. In a climate of fear and a bizarre, superheated year redolent of sex and hidden desire, Richard and Joanna must confront their relationship, Benjamin's tragic history, and the future of their country. Taking its cue from Virginia Woolf's *Orlando*, *Day for Night* is an unsettling, riveting story of reversals — of gender, power, and history.

[To the Lighthouse](#) Open Road Media

ONE OF THE BEST BOOKS OF THE YEAR: Forbes • Lit Hub • Electric Lit A gorgeous graphic memoir about loss, love, and confronting grief When Kristen Radtke was in college, the sudden death of a beloved uncle and the sight of an abandoned mining town after his funeral marked the beginning moments of a lifelong fascination with ruins and with people and places left behind. Over time, this fascination deepened until it triggered a journey around the world in search of ruined places. Now, in this genre-smashing graphic memoir, she leads us through deserted cities in the American Midwest, an Icelandic town buried in volcanic ash, islands in the Philippines, New York City, and the delicate passageways of the human heart. Along the way, we learn about her family and a rare genetic heart disease that has been passed down through generations, and revisit tragic events in America's past. A narrative that is at once narrative and factual, historical and personal, Radtke's stunning illustrations and piercing text never shy away from the big questions: Why are we here, and what will we leave behind? (With black-and-white illustrations throughout; part of the Pantheon Graphic Novel series)

This book provides a fascinating account of rooms in selected works by Virginia Woolf. Casting them as spaces which are at once material, textual and emotional, the volume shows Woolf's rooms to be consistently connected to wider geographies of modernity and therefore central to her writing of gender,

class, empire and the nation. The discussion moves “ in and out of rooms,” from the focus on travel in Woolf ’ s debut novel, to the archival function of built space and literary heritage in *Night and Day*, the university as a male space of learning in *Jacob ’ s Room*, the iconic *A Room of One ’ s Own* and its historical readers, interior space as spatial history in *The Years*, and rooms as loci of memory in her unfinished memoir. Zink masterfully shows the spatial formation of rooms to be at the heart of Woolf ’ s interweaving of the political and the aesthetic, revealing an understanding of space as dynamic and relational.

[Virginia Woolf, Collection Novels](#) Faber & Faber

To Virginia Woolf, London was a source of creative inspiration, a setting for many of her works, and a symbol of the culture in which she lived and wrote. In a 1928 diary entry, she observed, "London itself perpetually attracts, stimulates, gives me a play & a story & a poem, without any trouble, save that of moving my legs through the streets." The city fascinated Woolf, yet her relationship with it was problematic. In her attempts to resolve her developmental struggles as a woman write in a patriarchal society, Woolf shaped and reshaped the image and meaning of London. Using psychoanalytic, feminist, and social theories, Susan Squier explores the transformed meaning of the city in Woolf's essays, memoirs, and novels as it functions in the creation of a mature feminist vision. Squier shows that Woolf's earlier works depict London as a competitive patriarchal environment that excluded her, but her mature works portray the city as beginning to accept the force of female energy. Squier argues that this transformation was made possible by Woolf's creative ability to appropriate and revise the masculine literary and cultural forms of her society. The act of writing, or "scene making," allowed Woolf to break from her familial and cultural heritage and recreate London in her own literary voice and vision. *Virginia Woolf and London* is based on analyses of Woolf's memoirs, her little-known early and mature London essays, *Night and Day*, *Mrs. Dalloway*, *Flush*, and *The Years*. By focusing on Woolf's changing attitudes about the city, Squier is able to define Woolf's evolving belief that women could "reframe" the city-scape and use it to imagine and create a more egalitarian world.

Squier's study offers significant new insights into the interplay between self and society as it shapes the work of a woman writer. Originally published in 1985. The daughter of a literary household of means, Katherine Hilbery has distanced herself from romantic entanglements in favour of a life of intellectual pursuits. Mary Datchet, the daughter of a country vicar, has chosen to focus her attentions on supporting the suffrage movement. But when

confronted with offers of marriage from unlikely suitors, both women must determine whether or not there is room for love in the lives they have chosen to lead. One of Virginia Woolf ’ s earliest novels, *Night and Day* examines each woman ’ s thoughts on love, marriage, and personal fulfillment in Edwardian England.
