authors address the texts. The second anxiety-inducing world of Common Core State Standards, distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments. This 'Core of the Core' comprises the first half of the book and instructs educators on how to teach students to: read harder texts, 'closely read' texts rigorously and intentionally, read nonfiction more effectively, and write more effectively in direct response to

texts. The second half of Reading Reconsidered reinforces these principles, coupling them with the 'fundamentals' of reading instruction—a host of techniques and subject specific tools to reconsider how teachers approach such essential topics as vocabulary, interactive reading, and student autonomy. Reading Reconsidered breaks an overly broad issue into clear, easy-to-implement approaches. Filled with practical

tools, including: 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms (note: for online access of this content, please visit [my.teachlikeachampion.com](http://my.teachlikeachampion.com)) Recommended book lists Downloadable tips and templates on key topics like reading nonfiction, vocabulary instruction, and literary terms and definitions. Guidelines for Teaching about the Holocaust Hill and Wang

In his prime, Edward Bloom was an extraordinary man. He could outrun anybody. He never missed a day of school. He saved lives and tamed giants. Animals loved him, people loved him, women loved him. He knew more jokes than any man alive. At least that's what he told his son, William. But now Edward

Bloom is dying, and William wants desperately to know the truth about his elusive father—this indefatigable teller of tall tales—before it's too late. So, using the few facts he knows, William re-creates Edward's life in a series of legends and myths, through which he begins to understand his father's great feats, and his great failings. The result is hilarious and wrenching, tender and outrageous.
