Soldier's Heart Laurel Leaf

It's a predator eat predator world for the Were-Hunters. Danger haunts any given day. There is no one to trust. No one to love. Not if they want to live... An orphan with no clan that will claim him, Wren Tigarian grew to adulthood under the close scrutiny and mistrust of those around him. A forbidden blend of two animals—snow leopard and white tiger—Wren has never listened to anyone when there was something he wanted. Now he wants Marguerite. Marguerite D'Aubert Goudeau is the daughter of a prominent U.S. Senator who hates the socialite life she's forced to live. Like her mother before her, she has strong Cajun roots that her father doesn't understand. Still, she has no choice but to try and conform to a world where she feels like an outsider. But the world of rich and powerful humans is never to meet the world of the Were-Hunters who exist side by side with them, unseen, unknown, undetected. To break this law is to call down a wrath of the highest order. In order to have Marguerite, Wren must fight not just the humans who will never accept his animal nature, but the Were-Hunters who want him dead for endangering their world. It's a race against time and magic without boundary that could cost Marguerite and Wren not just their lives, but their very souls...

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Is It Night or Day? Laurel Leaf

The Education of Little Tree tells of a boy orphaned very young, who is adopted by his Cherokee grandmother and half-Cherokee grandfather in the Appalachian mountains of Tennessee during the Great Depression. "Little Tree" as his grandparents call him is shown how to hunt and survive in the mountains, to respect nature in the Cherokee Way, taking only what is needed, leaving the rest for nature to run its course. Little Tree also learns the often callous ways of white businessmen and tax collectors, and how Granpa, in hilarious vignettes, scares them away from his illegal attempts to enter the cash economy. Granma teaches Little Tree the joys of reading and education. But when Little Tree is taken away by whites for schooling, we learn of the cruelty meted out to Indian children in an attempt to assimilate them and of Little Tree's perception of the Anglo world and how it differs from the Cherokee Way. A classic of its era, and an enduring book for all ages, *The Education of Little Tree* has now been redesigned for this twenty-fifth anniversary edition.

"Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? In this riveting, action-packed novel from award-winning author Will Hobbs, a teenage boy hoping to help his loved ones must fight for his life as he makes the dangerous journey across the Mexican border into the United States. When falling crop prices threaten his family with starvation, fifteen-year-old Victor Flores heads north in an attempt to "cross the wire" from Mexico into America so he can find work and help ease the finances at home. But with no coyote money to pay the smugglers who sneak illegal workers across the border, Victor struggles to survive as he jumps trains, stows away on trucks, and hikes grueling miles through the Arizona desert. Victor's passage is fraught with freezing cold, scorching heat, hunger, and dead ends. It's a gauntlet run by many attempting to cross the border, but few make it. Through Victor's desperate perseverance, Will Hobbs brings to life a story that is true for many, polarizing for some, but life-changing for all who read it. Acclaim for *Crossing the Wire* includes the following: New York Public Library Books for the Teen Age, Junior Library Guild Selection, Americas Awards Commended Title, Heartland Award, Southwest Book Award, and Notable Books for Global Society.

The heartbreaking, iconic true story of an abandoned little boy's horrific journey through the American foster care system One misty evening, Jennings Michael Burch's mother, too sick to care for him, left her eight-year-old son at an orphanage with the words, "I'll be right back." She wasn't. Shuttled through a bleak series of foster homes, orphanages, and institutions, Jennings never remained in any of them long enough to make a friend. Instead, he clung to a tattered stuffed animal named Doggie, his sole source of comfort in a frightening world. Here, in his own words, Jennings Michael Burch reveals the abuse and neglect he experienced during his lost childhood. But while his experiences are both shocking and devastating, his story is ultimately one of hope--the triumphant tale of a forgotten child who somehow found the courage to reach out for love and found it waiting for him.

[We Begin at the End](#) Houghton Mifflin Harcourt

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the

larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." –New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

"Bernard MacLaverty's powerful novel is a love story as affecting and tragic as you could want." –USA Today

When it was first published, Bernard MacLaverty's masterpiece was hailed by Michael Gorra in the New York Times Book Review as "a marvel of technical perfection...a most moving novel whose emotional impact is grounded in a complete avoidance of sentimentality...[It] will become the Passage to India of the Troubles." For Cal, a Northern Irish teenager who, against his will, is involved in the terrible war between Catholics and Protestants, some of the choices are devastatingly simple: he can work in the slaughterhouse that nauseates him or join the dole line; he can brood on his past or plan a future with the beautiful, widowed Marcella for whose grief he shares more than a little responsibility.

The City of Ember Harper Collins

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds*. Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's

portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.
