Fellow Word Shakers, When I started reading the book, Night Hoops by Carl Deuker, I was very bored. I felt like I wasn't relating to the characters and the plot was moving too slowly. I questioned whether I should start a new book; however, I persevered just like Nick, and I am very grateful that I stuck with it.

The book I read was Night Hoops by Carl Deuker. It is a story about two completely different boys coming together to become best friends and working hard to become starters for the varsity basketball team and winning the conference championship for the first time in school history. I think Deuker wrote this book because he wanted people to see that everyone is not the way they seem, like Trent ...

Night Hoops, like most of Carl Deuker's novels
really focuses a lot on narrating actual games
instead of the real message. I really enjoyed it
though. The main character and what many
believe to be the antagonist actually have a
bond through basketball. The antagonist faces
a lot of adversity since his brother committed a
crime. Because of what his brother did,
everyone assumes that the ...

In this story of an unlikely bond, award-
winning author Carl Deuker explores
that dark and confusing place between
loneliness and friendship, between
faithfulness and betrayal. Filled with
gripping game play, the novel will leave
readers wondering how much they
themselves would reach out to a kid like
Trent.
