"Do yourself a favor and read this book. This story is original and hard-hitting with terrific world building and some of the best characters I've read. Yum." Patricia Briggs, author of the #1 NYTimes Mercy Thompson series Kit Colbana—half breed, assassin, thief, jack of all trades—has a new job: track down the missing ward of one of the local alpha shapeshifters. It should be a piece of cake. So why is she so nervous? It probably has something to do with the insanity that happens when you deal with shifters—especially sexy ones who come bearing promises of easy jobs and easier money. Or maybe it's all the other missing kids that Kit discovers while working the case, or the way her gut keeps screaming she's gotten in over her head. Or maybe it's because if she fails—she's dead. If she can stay just one step ahead, she should be okay. Maybe she'll even live long to collect her fee...

"Yasmine Galenorn is a powerhouse author; a master of the craft who is taking the industry by storm, and for good reason!" ?Maggie Shayne, New York Times bestselling author "Ostensibly the story centers on the search for the killer, but it goes much deeper, laying the foundation for what promises to be an insightful exploration of Lily's process of personal change while giving readers a peek at a political chess game. The characters leap to life, carrying readers along on a journey through a world much like this one but with a dangerous allure." --Publishers Weekly, Starred Review One of Publishers Weekly's "Top 100 Books of 2017" Lily O'Connell, a succubus, owns Lily Bound, an elite sex salon in the Blood Night District of Seattle. When a client is murdered in her house, a patch of skin missing from his chest, she knows there's something evil afoot. Then comes the news that the Souljacker? a tattoo-artist-turned-vampire? has escaped from an institution for criminally deranged Supernaturals. And he's hunting and killing everyone he has ever inked. With one of the Souljacker's tattoos on her thigh and nowhere else to turn, Lily hires Archer Desmond, a chaos demon and PI, to help her track down the vampire before he finds her and her friends. But Lily didn't plan

to fall for Archer. And as the old tales say? a succubus who falls in love will destroy the heart of the one she seeks to claim. When Herne and Ember are approached by the matriarch of a group of water-horse shifters to help find her cousin's murderer, the Wild Hunt is drawn into a dark and shadowed world of the Ante-Fae. But as the team delves into the details of the grisly death, they uncover evidence of a string of murders that leads them directly into the court of Blackthorn. Caught in a mire of political intrigue and shadow magic, will Ember and Herne be able to bring the serial killer to light, or will the King of Thorns manage to silence them forever?

Fifteen years ago, I ran away from Whisper Hollow, Washington, a small town on the Olympic Peninsula. But truth is, if you were born here, you can never really leave. I'm Kerris Fellwater and when I returned, I not only inherited my grandmother's house, but her gift. Like her, I must take on the job of spirit shaman. It's my gift-and my curse-to drive the dead back to their graves, because around

Whisper Hollow, people-and secrets-don't always stay buried. A trunk hidden in the attic throws my life into chaos. My mother vanished when I was little and I was told she ran away. But now it looks like she was murdered. With the help of Bryan-my mysterious and brooding neighbor-we begin to unravel the mystery of her disappearance, and in doing so, we unearth a dark force seeking to bury Whisper Hollow. Now, I must work with the dead, rather than against them, because our enemy will do whatever she can to destroy the town, and she means to start with me. For the first time, here are the first three books in the Chintz 'n China paranormal cozy mystery series, collected together into one volume. Book One – Ghost of a Chance: Emerald O'Brien is the owner of the Chintz 'n China Tea Room where guests are served the perfect blend of teas and tarot readings. She never set out to be a detective, but once word gets out that she can communicate with the dead, there's no turning back... When the ghost of Susan Mitchell asks for Emerald's help in convicting her own murderer, Emerald can't refuse. Along with her friends-an ex-supermodel and a cop-and her new love interest, Emerald must search for clues to put the killer behind bars, and Susan's tortured soul to rest. Book Two – Legend of the Jade Dragon: Tarot cards

seldom lie. So when they predict chaos and bad luck for her last client of the day, Emerald gets more than a little worried. He leaves behind a charming jade statue of a dragon--but promptly dies in a hit-and-run accident outside of her shop. When other terrible things begin to plague Em and her family, the only explanation is the jade dragon. To thwart its evil spell, she'll have to follow a trail of heartache all the way back to China's Ming Dynasty--and its ancient--and sometimes harsh--mysteries. Book Three - Murder Under A Mystic Moon: With her teenaged daughter's birthday on the horizon and the town's autumn festival in full swing, Emerald has her hands full with party preparations and teashop specials. But a request from her friend Jimbo has her using her abilities to look into the disappearance of his friend. In the woods surrounding the Klickavail Valley enclave, Emerald senses a strange energy manifesting itself--before literally stumbling across the body of Jimbo's friend. While the police are willing to blame the death on a cougar attack, Emerald knows there's something else wandering the forest--something that resembles the Klakatat monster of legend, but may actually be a monster of a more human kind. Sometimes, you have to exorcise ghosts from the past before you can move forward... With the Tuathan Brotherhood taken care of, Ember and the Wild Hunt gear up for the coming darkness that threatens to plunge their lives into chaos. But first, they take on the ancient liche who stole Talia's powers. Lazerous is living near Winter Hall Magical Academy, located near Mt. Rainier. Over the centuries, he's grown so strong that it seems futile to take him on. But with Lazerous stalking the students, stealing not only their magical powers but their lives, the Wild Hunt can't allow him to roam free. Before they can confront him, Talia takes it on herself to reconnoiter the situation and ends up trapped in a maniacal web that could easily spell her death. Now, Ember and Herne must race against time before Lazerous finds her first. This accessible, third edition textbook gives students the tools they need to analyze games, using strategies borrowed from textual analysis. As game studies has become an established academic field, writing about games needs the language and methods that allow authors to reflect the complexity of a game and how it is played in a cultural context. This volume provides readers with an overview of the basic building blocks of game analysis--examination of context, content and distinctive features, and formal qualities--as well as the vocabulary necessary to talk about the distinguishing characteristics of a game. Examples are drawn from a range of

games, non-digital and digital, and across history--from Pong to Fortnite--and the book includes a variety of examples and sample analysis, as well as a wealth of additional sources to continue exploring the field of game studies. This third edition revision brings the book firmly up to date, pulling in new examples and sources, and incorporating current key topics in this dynamic field, such as artificial intelligence and game streaming. Introduction to Game Analysis remains an essential practical tool for students who want to become fluent writers and informed critics of games, as well as digital media in general.

*The Silver Stag* Yasmine Galenorn Patricia Briggs "has reached perfection"\* in this #1 New York Times bestseller, as Mercy Thompson faces a shapeshifter's biggest fear... Mercy's life has undergone a seismic change. Becoming the mate of Alpha werewolf Adam Hauptman has made her a stepmother to his daughter Jesse, a relationship that brings moments of blissful normalcy to Mercy's life. But on the edges of humanity, what passes for a minor mishap on an ordinary day can turn into so much more... After a traffic accident in bumper-to-bumper traffic, Mercy and Jesse can't reach Adam—or anyone else in the pack. They've all been abducted. Mercy fears Adam's disappearance may be related to the political battle the werewolves have been fighting to gain acceptance from the public—and that he and the pack are in serious danger. Outmatched and on her own, Mercy may be forced to seek assistance from any ally she can get, no matter how unlikely. \*The Nocturnal Library

The diary and essays of Brian Eno republished twenty-five years on with a new introduction by the artist in a beautiful hardback edition. 'One of the seminal books about music . . . an invaluable insight into the mind and working practices of one of the industry's undeniable geniuses.' GUARDIAN At the end of 1994, Brian Eno resolved to keep a diary. His plans to go to the cinema, theatre and galleries fell quickly to the wayside. What he did do - and write - however, was astonishing: ruminations on his collaborative work with David Bowie, U2, James and Jah Wobble, interspersed with correspondence and essays dating back to 1978. These 'appendices' covered topics from the generative and ambient music Eno pioneered to what he believed the role of an artist and their art to be, alongside adroit commentary on quotidian tribulations and happenings around the world. This beautiful 25th-anniversary hardcover edition has been redesigned in the same size as the diary that eventually became this book. It features two ribbons, pink paper delineating the appendices (matching the original edition) and a two-tone paper-over-board cover, which pays homage to the original design. An intimate insight into one of the most influential creative artists of our time, *A Year with Swollen Appendices* is an essential classic.

For the first time, here are the

last three books in the New York Times bestselling Indigo Court urban fantasy series, collected together into one volume. Book Four – Night Vision: Destined to become the Fae Queens of Winter and Summer, Wind Witch Cicely and her cousin, Rhiannon, are eager to assume their roles and marry the loves of their lives. But while Myst hides in the shadows, seeking to regroup her forces, another danger is lurking closer. Renegade vampires Geoffrey and Leo manage to free the Blood Oracle and set him upon New Forest, Washington. Not satisfied with wreaking havoc on the town, Leo ups the ante by kidnapping Rhiannon. Now, Cicely must lead her forces in a bloody battle to save her cousin before everything they've worked for crumbles to dust. Book 5 – Night's End: Newly crowned Fae Queens Cicely and Rhiannon have embraced their destinies and claimed their thrones. But Myst is rising once more, and now, at the helm of her armies, she begins her final assault on the Golden Wood. As Fae, vampires, and magic-born alike fall under the tide of blood, Cicely and her friends must discover a way to destroy the spidery queen before they—and their people—face total annihilation. Book 6 – Night Shivers: Cicely, Queen of Snow and Ice, is slowly getting used to her new role in life as Queen of Winter. The Vampiric Fae have been conquered and Myst is gone, but now something new is unsettling her kingdom. A ship sails across the Crashing Sea from the Golden Isle with new members for her kingdom, but all of the Sidhe aboard are missing. And the Wilding Fae are appealing to the Fae Queen. It seems that several of their members have vanished, and a large shadowy wolf has been seen on the outskirts of their village. Something from the depths of Hel is on the loose, trying to usurp control of the Realm of Snow and Ice. Now, Cicely and her friends must face down the monster before he can marshal the ice giants, and destroy the new Queen and her rule. When you dance with Death, you have to be willing to roll the bones... Raven Bonetalker, the Daughter of Bones, has her plate full. Not only is her neighbor still driving her nuts, but she's in a new relationship with Kipa, the Lord of the Wolves, and neither one is ready for everything that entails. But life takes a sinister turn when a spirit begins siphoning off the life force of one of Kipa's wolf shifters. Gunnar, a member of the SuVahta—the pack of divine werewolves bound to the Lord of Wolves—is dying, and nobody can figure out why. Gunnar blames himself for the death of his beloved wife, and he believes she is haunting him. When Kipa asks Raven to examine the shifter, she finds a far deadlier spirit latched onto the werewolf. And the only way Raven can help is to first agree to a deadly alliance with one of the ancient Ante-Fae—Arachna, the Web Weaver. But Arachna's price is far steeper than Raven can afford to pay, and the fallout threatens to shake the very core of Raven's life.
