“ Kingdom of Shadows must be called a spy novel, but it transcends genre, as did some Graham Greene and Eric Ambler classics.” —The Washington Post Paris, 1938. As Europe edges toward war, Nicholas Morath, an urbane former cavalry officer, spends his days working at the small advertising agency he owns and his nights in the bohemian circles of his Argentine mistress. But Morath has been recruited by his uncle, Count Janos Polanyi, a diplomat in the Hungarian legation, for operations against Hitler’s Germany. It is Morath who does Polanyi’s clandestine work, moving between the beach cafés of Juan-les-Pins and the forests of Ruthenia, from Czech fortresses in the Sudetenland to the private gardens of the déclassé royalty in Budapest. The web Polanyi spins for Morath is deep and complex and pits him against German intelligence officers, NKVD renegades, and Croat assassins in a shadow war of treachery and uncertain loyalties, a war that Hungary cannot afford to lose. Alan Furst is frequently compared with Eric Ambler, Graham Greene, and John le Carré, but Kingdom of Shadows is distinctive and entirely original. It is Furst at his very best. Praise for Kingdom of Shadows “ Kingdom of Shadows offers a realm of glamour and peril that are seamlessly intertwined and seem to arise effortlessly from the author’s consciousness.” —Janet Maslin, The New York Times “ Subtly spun, sensitive to nuances, generous with contemporary detail and information discreetly conveyed. . . . It’s hard to overestimate Kingdom of Shadows.” —Eugen Weber, Los Angeles Times “ A triumph: evocative, heartfelt, knowing and witty.” —Robert J. Hughes, The Wall Street Journal “ Imagine discovering an unscreened espionage thriller from the late 1930s, a classic black- and-white movie that captures the murky allegiances and moral ambiguity of Europe on the brink of war. . . . Nothing can be like watching Casablanca for the first time, but Furst comes closer than anyone has in years.” —Walter Shapiro, Time A Hero of France Soho Press

arrives at the Warsaw railway station. Tonight, he will be with his Polish mistress; tomorrow, at a workers’ bar in the city’s factory district, he will meet with the military attaché from the French embassy. Information will be exchanged for money. So begins THE SPIES OF WARSAW, with war coming to Europe, and French and German operatives locked in a life-and-death struggle on the espionage battlefield. At the French embassy, the new military attaché, Colonel Jean-Francois Mercier, a decorated hero of the 1914 war, is drawn in to a world of abduction, betrayal and intrigue in the diplomatic salons and back alleys of Warsaw. At the same time, the handsome aristocrat finds himself in a passionate love affair with a Parisian woman of Polish heritage, a lawyer for the League of Nations. Colonel Mercier must work in the shadows, amidst an extraordinary cast of venal and dangerous characters - Colonel Anton Vyborg of Polish military intelligence, last seen in Furst’s THE POLISH OFFICER; the mysterious and sophisticated Doctor Lapp, senior German Abwehr officer in Warsaw; Malka and Viktor Rozen, at work for the Russian secret service; and Mercier’s brutal and vindictive opponent, Major August Voss of SS counterintelligence. And there are many more, some known to Mercier as spies, some never to be revealed.

From Alan Furst, whom The New York Times calls “America’s preeminent spy novelist,” comes an epic story of romantic love, love of country, and love of freedom—the story of a secret war fought in elegant hotel bars and first-class railway cars, in the mountains of Spain and the backstreets of Berlin. It is an inspiring, thrilling saga of everyday people forced by their hearts’ passion to fight in the war against tyranny. By 1938, hundreds of Italian intellectuals, lawyers and journalists, university professors and scientists had escaped Mussolini’s fascist government and taken refuge in Paris. There, amid the struggles of émigré life, they founded an Italian resistance, with an underground press that smuggled news and encouragement back to Italy. Fighting fascism with typewriters, they produced 512 clandestine newspapers. The Foreign Correspondent is their story. Paris, a winter night in 1938: a murder/suicide at a discreet lovers’ hotel. But this is no romantic traged—it is the work of the OVRA, Mussolini’s fascist secret police, and is meant to eliminate the editor of Liberazione, a clandestine émigré newspaper. Carlo Weisz, who has fled from Trieste and secured a job as a foreign correspondent with the Reuters bureau, becomes the new editor. Weisz is, at that moment, in Spain, reporting on the last campaign of the Spanish civil war. But as soon as he returns to Paris, he is pursued by the French Sûreté, by agents of the OVRA, and by officers of the British Secret Intelligence Service. In the desperate politics of Europe on the edge of war, a foreign correspondent is a pawn, worth surveillance, or blackmail, or murder. The Foreign Correspondent is the story of Carlo Weisz and a handful of antifascists: the army officer known as “Colonel Ferrara,” who fights for a lost cause in Spain; Arturo Salamone, the shrewd leader of a resistance group in Paris; and Christa von

Schirren, the woman who becomes the love of Weisz's life, herself involved in a doomed resistance underground in Berlin. The Foreign Correspondent is Alan Furst at his absolute best—taut and powerful, enigmatic and romantic, with sharp, seductive writing that takes the reader through darkness and intrigue to a spectacular denouement.

Ian Fleming. John le Carré. Len Deighton. Mick Herron. The brilliant plotting of Herron's twice CWA Dagger Award-winning Slough House series of spy novels is matched only by his storytelling gift and an ear for viciously funny political satire. "Mick Herron is the John le Carré of our generation."—Val McDermid At MI5 headquarters Regent's Park, First Desk Claude Whelan is learning the ropes the hard way. Tasked with protecting a beleaguered prime minister, he's facing attack from all directions: from the showboating MP who orchestrated the Brexit vote, and now has his sights set on Number Ten; from the showboat's

wife, a tabloid columnist, who's crucifying Whelan in print; from the PM's favorite Muslim, who's about to be elected mayor of the West Midlands, despite the dark secret he's hiding; and especially from his own deputy, Lady Di Taverner, who's alert for Claude's every stumble. Meanwhile, the country's being rocked by an apparently random string of terror attacks. Over at Slough House, the MI5 satellite office for outcast and demoted spies, the agents are struggling with personal problems: repressed grief, various addictions, retail paralysis, and the nagging suspicion that their newest colleague is a psychopath. Plus someone is trying to kill Roddy Ho. But collectively, they're about to rediscover their greatest strength—that of making a bad situation much, much worse. It's a good thing Jackson Lamb knows the rules. Because those things aren't going to break themselves.

"A stylish spy thriller" of postwar Berlin—the first in a thrilling new series from the acclaimed author of the Inspector Troy Novels (*The New York Times Book Review*). John Wilfrid Holderness—aka Joe Wilderness—was a young Cockney cardsharp surviving the London Blitz before he started crisscrossing war-torn Europe as an MI6 agent. With the war over, he's become a "free-agent gumshoe" weathering Cold War fears and hard-luck times. But now he's being drawn back into the secret ops business when an ex-CIA agent asks him to spearhead one last venture: smuggle a vulnerable woman out of East Berlin. Arriving in Germany, Wilderness soon discovers he's being played as a pawn in a deadly game of atomic proportions. The author of the acclaimed Inspector Troy Novels, "Lawton's gift for atmosphere, memorable characters and intelligent plotting has been compared to John le Carré. . . . Never mind the comparisons—Lawton can stand up on his own, and *Then We Take Berlin* is a gem" (*The Seattle Times*). Alan Furst, Phillip Kerr, Eric Ambler, David Downing and Joseph Kanon." —*The Wall Street Journal* "[It] will thrill readers with an interest in WWII and the early Cold War era." —*Publishers Weekly*, starred review "A wonderfully complex and nuanced thriller." —*Kirkus Reviews*

When a journalist friend asks for his help researching a possible sixth member of the notorious Trinity spy ring, Gaddis knows that she's onto a story that could turn his fortunes around. But within hours the journalist is dead, apparently from a heart attack. Taking over her investigation, Gaddis trails a man who claims to know the truth about Edward Crane. And as Gaddis follows a series of leads across the continent, he approaches a shocking revelation – one which will rock the foundations of politics from London to Moscow... "Cumming's novel is characterized by a gripping sense of realism. He displays a vast knowledge of spycraft and Cold War history, and the dense, three-dimensional world he crafts comes complete with seedy hotels and smoky nightclubs. The result is absolutely gripping. Taut, atmospheric and immersive—an instant classic." – Kirkus Reviews (starred review) on *The Trinity Six* *The Trinity Six* is a Kirkus Reviews Best of 2011 Thrillers title.

NEW YORK TIMES BESTSELLER Paris, 1938. As the shadow of war darkens Europe, democratic forces on the Continent struggle against fascism and communism, while in Spain the war has already begun. Alan Furst, whom Vince Flynn has called "the most talented espionage novelist of our generation," now gives us a taut, suspenseful, romantic, and richly rendered novel of spies and secret operatives in Paris and New York, in Warsaw and Odessa, on the eve of World War II. Cristián Ferrar, a brilliant and handsome Spanish émigré, is a lawyer in the Paris office of a prestigious international law firm. Ferrar is approached by the embassy of the Spanish Republic and asked to help a clandestine agency trying desperately to supply weapons to the Republic's beleaguered army—an effort that puts his life at risk in the battle against fascism. Joining Ferrar in this mission is a group of unlikely men and women: idealists and gangsters, arms traders and aristocrats and spies. From shady Paris nightclubs to white-shoe New York law firms, from brothels in Istanbul to the dockyards of Poland, Ferrar and his allies battle the secret agents of Hitler and Franco. And what allies they are: there's Max de Lyon, a former arms merchant now

hunted by the Gestapo; the Marquesa Maria Cristina, a beautiful aristocrat with a taste for danger; and the Macedonian Stavros, who grew up "fighting Bulgarian bandits. After that, being a gangster was easy." Then there is Eileen Moore, the American woman Ferrar could never forget. In *Midnight in Europe*, Alan Furst paints a spellbinding portrait of a continent marching into a nightmare—and the heroes and heroines who fought back against the darkness. Praise for Alan Furst and *Midnight in Europe* "Furst never stops astounding me."—Tom Hanks "Furst is the best in the business."—Vince Flynn "Elegant, gripping . . .
