Kyle Walker had his hands full being Sheriff of Whiskey Bend, Texas. Between the drag racing teens and self-important citizens, the small town keeps him hopping. His life is full except for the one person he longs for, Jaz, who moved away years before after a misunderstanding. He still hasn't forgotten her. Jasmine VanZandt left Whiskey Bend years before when she thought Kyle cheated on her with the one girl she hated most, resulting in pregnancy. She knew he'd "do the right thing", and she couldn't stay to watch him marry someone else. It would've destroyed her. Eight years later, she decides to return, only to have her world turned upside down and inside out before she can get back. Her parents are killed in a car wreck, which appears remarkably similar to one that occurred twenty-seven years before. But this time, the evidence obviously points to murder. Could the wreck that happened years before have been foul play as well? When they discover Jaz is being followed, both realize they must face their past before they can make a future together. Small towns are notorious for secrets, but Whiskey Bend has some killer ones!

The Night Stalker Open Road Media

Ouvrage de référence, traduit dans le monde entier, cette édition revue et augmentée pour la quatrième fois est le résultat d'une trentaine d'années de recherches sur ces criminels qui tuent en série sans mobile évident, mais sous l'emprise de pulsions sexuelles le plus souvent ; et qui commettent leurs forfaits en toute impunité pendant des mois, voire des années. Stéphane Bourgoin a pu s'entretenir avec plus de soixante-quinze de ces serial killers dans les prisons de haut sécurité du monde entier. Cannibales, comme Otis Toole ou le péophile sud-africain Stewart Wilken ; psychotiques, tel Gary Heidnik, dont le cas inspire le personnage de Buffalo Bill dans *Le Silence des agneaux* ; ou Richard Chase et James Riva, authentiques vampires modernes ; femmes criminelles, comme Martha Beck ou Christine Falling ; tueurs d'enfants à l'exemple de John Joubert et Albert Fish ; néophiles et chasseurs de têtes, à l'image de Gerard Schaefer et Ed Kemper qui sert de modèle au Hannibal Lecter de Thomas Harris ; étriangleurs de prostituées à la façon d'Arthur Shawcross, tous expriment les mêmes fantasmes sanglants - et une absence totale de remords. Grâce à de nombreux séjours à l'étranger, l'auteur a pu rencontrer les agents spéciaux du FBI chargés d'étudier ces assassins hors norme, ainsi que des profilers du monde entier qui utilisent une approche psychologique et des bases de données informatiques pour résoudre les enquêtes. Leurs conclusions sont confrontées à l'avis des plus grands psychiatres dans le domaine. L'ouvrage est complété par de nouveaux entretiens et portraits de tueurs, un cahier-photo revisité, une étude sur la "détection de la sérialité", par le colonel de Gendarmerie Joël Vaillant et par une étude sur les nouvelles méthodes d'investigation informatique du FBI.

DISCOVER A BREATHTAKING NEW SERIES OF MYSTERIES THAT YOU WON'T WANT TO PUT DOWN Perfect for fans of Rachel Abbott, Robert Bryndza, Joy Ellis, Mel Sherratt, Angela Marsons, Helen H. Durrant, Colin Dexter or Ruth Rendell. WHAT READERS ARE SAYING ABOUT STALKER ON THE LEVELS: "Absolutely brilliant, adrenaline pumping story that had me turning page after page all the way to the end. Another excellent read from one of my favourite authors." Jill B.

"Another excellent addition to 'The Levels' series. Thoroughly enjoyable read as ever from David Hodges." Charlotte M. "Loved it!" Aileen "This was a very enjoyable book, nothing dark, just good writing and a wonderful storyline." Carole "I enjoyed the book and found it well written. It kept me engrossed from beginning to end." Barbara THE DETECTIVES Detective Sergeant Kate Lewis is a feisty young detective with a dynamic approach to her job. She is plucky and tenacious, but also prone to being impetuous and headstrong. This often lands her in tight spots, earning her the nicknames 'Maverick' or 'Go-It-Alone' Kate, and it puts her on a collision course with the more bureaucratic hierarchy of the force. In stark contrast to Kate, her detective constable husband and partner, Hayden, is an overweight, untidy, ex-public schoolboy with a pompous, laidback attitude and an old-fashioned view of life, which drives Kate to distraction. But he is also highly intelligent, with a keen analytical

mind and a practical, reasoned approach to everything, which, with a prevailing wind, can sometimes act as a break on his partner's more impulsive behaviour. THE SETTING The Somerset Levels covers an area of about 160,000 acres between the Mendips and Quantock Hills, in the County of Somerset. Sparsely populated outside the local towns of Bridgwater, Glastonbury and Street and prone to flooding, it is a haven for wild life; a place where the booming call of a bittern or the beating of an owl's wings in the mist is bound to fire the imagination of any self-respecting crime novelist, whose thoughts will invariably turn to . . . murder. THE AUTHOR David Hodges is a former police superintendent, with thirty years' service. Since 'turning to crime', he has received critical media acclaim, including a welcome accolade from Inspector Morse's creator, the late great, Colin Dexter, and he is now a prolific novelist with eleven published crime novels and an autobiography on his police career to his credit. His previous police experience has enabled him to provide a gritty realism to his thrillers.
