Well, "Nights at the Circus" is very different from "Water for Elephants." The story itself is fantastic: Jack, a young journalist, decides to do a story on a mysterious half-woman/half-swan trapeze artist (Sophie/Fevvers). Jack becomes smitten with Fevvers and decides to join the circus so he can be with her.

The Night Circus by Erin Morgenstern Plot Summary | LitCharts
Nights at the Circus employs learning disabled actors in the performance and their presence on stage is magical and alluring. At just over 45 minutes Nights at the Circus feels like a very brief show. With only three performers, maybe the inclusion of someone else on the stage would have expanded the narrative and

allowed the audience a further glimpse into this strange and inviting world.

At the Circus - Wikipedia

A strange compelling venture into magic realism The story of a circus acrobat who just happens to have (allegedly) been born with wings is to a large degree told by Fevvers the mysterious heroine and takes us from Victorian London to the Siberian wastes There is a significant shift of style in the latter part of the book where the adventures become more extravagant and the ending is ambivalent with a hint that Fevvers is after all a fraud and this is why I've dropped a star Highly entertaining ...
