not disappoint readers who enjoyed *Cave of Mystic Dreams*. In *Rain of Blood*, the second book in *The Champions of Zairon* trilogy, Kumar continues to weave magical and creative plots that traverse parallel worlds. As the young protagonists navigate an even more complex challenge than their first, we are immediately drawn back into their mystical reality. Middle-school readers and fantasy fans of all ages will delight in watching Claire, Jason, and Zac

navigate a new quest-one that draws on their intelligence, determination, and wit. Kumar continues to explore themes of friendship and morality, as her characters encounter dilemmas and tasks that require even more grit and resilience than those they encountered in the first book of the trilogy. Kumar's carefully wrought sentences and powerful dialogue draw us into her story and help connect us to the intricacies of the plot. The main

characters are more mature, and so is Kumar's writing. While her natural storytelling ability was established with her first book, she solidifies it with *Rain of Blood*.

The Weight of Rain

18-year-old Opal is a young Black woman working as a housekeeper in a

small Southern town in the 1930s—and then the Klan descends. A moving story that confronts America’s tragic past, *When Stars Rain Down* is both heartwarming and heart-wrenching. The summer of 1936 in Parsons, Georgia, is unseasonably hot, and Opal Pruitt senses a nameless storm brewing. She hopes this foreboding feeling won’t overshadow her upcoming 18th birthday or the annual Founder’s Day celebration in just a few weeks. She and her Grandma Birdie work as housekeepers for the white widow Miss

Peggy, and Opal desperately wants some time to be young and carefree with her cousins and friends. But when the Ku Klux Klan descends on Opal’s neighborhood, the tight-knit community is shaken in every way possible. Parsons’s residents—both Black and white—are forced to acknowledge the unspoken codes of conduct in their post-Reconstruction era town. To complicate matters, Opal finds herself torn between two unexpected romantic interests—the son of her pastor, Cedric Perkins, and the white grandson of the woman she

works for, Jimmy Earl Ketchums. Both young men awaken emotions Opal has never felt before. Faced with love, loss, and a harsh awakening to an ugly world, Opal holds tight to her family and faith—and the hope for change. 2021 Langum Prize in American Historical Fiction – Finalist Historical fiction set in the rural south Stand-alone novel Book length: 101,000 words Includes discussion questions for book clubs “When Stars Rain Down is so powerful, timely, and compelling that sometimes I found myself holding my breath while reading

it. Rarely have I been so attached to characters and felt so transported to a time and place. This is an important and beautifully written must-read of a novel. Opal is a character I will never forget.” —Silas House, author of *Southernmost* “Angela Jackson-Brown interrogates race, love and family with empathy and style, making her an author you will want to read again and again. This tale of America’s tragic past is both compelling and cinematic as the Pruitt and Ketchum families struggle in the mire of racism in the 1930s. It’s a

moving novel that boldly illuminates the past but also speaks directly to today’s politics and the power of faith. You will fall in love with the book’s resilient protagonist Opal. I certainly will.” —Crystal Wilkinson, author of *The Birds of Opulence* “In this world there are writers and there are artists. Angela Jackson-Brown is both.” —Sean Dietrich (Sean of the South), author of *Stars of Alabama* **What’s Wrong with Pauly?** Harlequin Books One night changed my life—one that I barely remember. When I close my eyes, my mind paints a picture of his smile

and shades the contours of his hands, the deep scar around his bicep. I'm an artist, yet my hands are unsteady. With his presence, he has unknowingly broken that something inside of me that makes me who I am. Being around him is like standing in a rainstorm. First the drops tickle my skin, and then they coat me, refusing to be ignored. Finally, they soak into me, reaching parts of me I don't think anyone has ever touched. When dreams turn into reality, will the picture in my mind transfer to paper?

This is true story about real people is set in Edinburgh City and Dundee, where a petite

Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take

her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how

Such is eight-year-old Noriko “Nori” Kamiza’s first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents’ imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married

Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot

At no other time during our earthly sojourn do human beings attach so much significance to the number 10. It represents the perfect score - the answer to every parent's prayers - a perfectly healthy newborn baby. But what if their worst fears come true? What if their baby is born 'imperfect'? For first time parents, Corné and Michelle Smith, their hopes and dreams for a perfectly

well child were beaten to a pulp when they received the heart-breaking news that their beautiful daughter, Tahlia, had been born with a medically incurable brain-injury. In an instant they were flung onto a physical, emotional and spiritual battlefield, facing colossal giants very few parents ever do, together with their brave child. As they grappled with Tahlia's neurological, developmental and physical condition, their valley of despair and depression, onslaughts to their marriage and many other giants, they discovered the big WHY of their battle. And they witnessed how their Heavenly Father not only prepared them for this war, but also fought

alongside them. This book, as chronicled by Corné and illustrated by Michelle, is their story of courage, faith, hope, love, restoration and victory over a season of unspeakable pain and hurt. Can their story help and teach others how to face their own giants and, chapter-by-chapter, uncover their WHY? The secret lies hidden inside.
