### Burn After Writing

Teen Turtleback Hat maker Satoru finds Ryou passed out on street and is then embroiled in an international crime drama.

The Weirn Books, Vol. 1 Carpet Bombing Culture When Christie settles in the Artist Alley of her first ever anime convention, she only sees it as an opportunity to

promote the comic she has started with her boyfriend. But conventions are never what you expect and soon the whirlwind of events sweeps Christie off her feet and changes her life. Who is the mysterious cosplayer that won't even take off his sunglasses indoors?

What do you do when you fall in love with a guy who is going to be miles away from you in just a couple of days?

The Breakaways Seven Seas Entertainment A tale of darkness, love and redemption inspired by the classic fairy tale, Little Red Riding Hood, traces the efforts of a reckless magical apprentice to save her world from a threat of eternal darkness.

Emeril's Cooking with Power Graywolf Press

In his daydreams, Jensen is the biggest hero that ever was, saving the world and his friends on a daily basis. But his middle school reality is VERY different--math is hard, getting along with friends is hard...Even finding a partner for the class project is a huge problem when you always get picked last. And the pressure's on even more once the school newspaper's dynamic duo, Jenny and Akilah, draw Jensen into the whirlwind of school news, social-experiment projects, and behind-the-scenes club drama.

Jensen has always played the middle school game one level at a time, but suddenly, someone's cranked up the difficulty setting.

Will those daring daydreams of his finally work in his favor, or will he have to find real solutions to his real-life problems?

The charming world of Berrybrook Middle School gets a little bigger in this highly anticipated follow-up to Svetlana

Chmakova's award-winning *Awkward* with a story about a boy who learns his own way of being brave!

**Nightschool, Vol.**

**3 Random House**

After her terrible adventures in the *Silent Woods*,

Na ' ya ' s world seems to have

returned to

normal...that is, except for the nightmares that keep haunting her. What she needs is the power to protect everyone in case the evil scientist returns, and she has the perfect solution - she ' ll turn into a dragon, once and for all! With help from Ailis and Jasper, everything seems to be going according to plan. But what ' s that dark shadow slithering around the spellcasting range...? Acclaimed author of *Awkward*, Svetlana Chmakova, returns to the fantastical night realm, full of

magic, adventure, and...dragons! *Dramacon*, Volume 3 Yen Press *Children of the Atom*, or something else? A small African town has been hit with a series of bizarre occurrences, as children are born possessing strange and powerful abilities. With the mutant race dwindling, the X-Men are the fi rst on the scene to investigate the phenomenon. When they arrive, their hopes are raised by what looks to be a concentration of mutant births. But

soon they find themselves confronted by the country's ruthless leader, who has his own ideas of what the children truly are and how to deal with them. Have the X-Men stumbled across a series of new mutant births, or are they dealing with something far more dangerous? [Hollow Fields and the Perfect Cog](#) Bloomsbury Publishing USA "The story of an obsessive-compulsive housebreaker whose every waking moment is jam-packed with finicky clockwork ritual--the kind of

---

intense micro-planning that might have made even Napoleon back off...Matthew Dicks has created an unforgettable character that will have you torn between wanting to throttle him--or adopt him." --Alan Bradley, author of the New York Times bestselling Flavia de Luce novels A career criminal with OCD tendencies and a savant-like genius for bringing order to his crime scenes, Martin considers himself one of the best. After all, he 's been able to steal from the same people for years on

end—virtually undetected. Of course, this could also be because of his unique business model—taking only items that will go unnoticed by the homeowner. After all, who would notice a missing roll of toilet paper here, a half-used bottle of maple syrup there, or even a rarely used piece of china buried deep within a dusty cabinet? Even though he's never met these homeowners, spending hours in their houses, looking through their photo albums and reading their journals, he feels like he knows them.

So Martin decides to meddle more in their lives—playing the part of a rather odd guardian angel—even though it means breaking many of his neurotic rules. In this hilarious, suspenseful and often profound novel about a man used to planning every second of his life, Martin comes to realize that life is much better lived on the edge (at least some of the time). *Nightschool, Vol. 3* HarperCollins A teen manga writer deals with new friends and an old flame at this year 's anime convention in the second volume of this romantic manga

series. It's Christie 's second year at the Yatta Anime convention—and the drama continues to heat up. With her new partner-in-crime, a.k.a. artiste extraordinaire Bethany, she is again promoting her comic. Matt is also back in town, but to Christie 's shock, he came with a girlfriend! Now, not only does Christie have to fend off close-minded manga fans, she also has to try to keep her heart clear of Matt. But in the twilight that separates friendship from something more, things often get a little complicated . . . and at a convention anything is possible. Praise for Dramacon, Volume 1 “ Smart, witty, and moving. . . . Using every visual manga convention to its

fullest, this ripping little tale is strong and expressive enough to reveal real emotional depth. ” —Publishers Weekly “ A fun read from beginning to end . . . Compelling enough that you ' ll be wanting to find out how things turn out in volume 2. It deals with pretty interesting everyday life relationship matters, so if you ' re into that kind of thing and enjoy comedy, you ' ll definitely find it to your liking. ” —IGN.com
