Nihon Kohden Global Site

To make matter worse, before the TEC-7700 series defibrillators were allowed for sales in Japan, Nihon Kohden had gone on to launch another biphasic TEC-5500 series defibrillators for export sales in August 2004. Why was the need to launch the TEC-5500 series when the TEC-7700 series application with Regulatory Authority was still long pending approval subjecting to product revisions including ...
