Information Security Policies Made Easy Version 10 Sidestone Press

This book is used in conjunction with The Leica Pocket Book and Leica Price Guide and has been compiled from original Leitz sources. The book has two aims: the first is to act as the constant pocket companion for the Leica Collector in his travels; the second is to help Leica enthusiasts who

want to study fascinating accessories in greater depth. It covers the whole period from 1924 to Spring 1996 and will enable the reader to place an individual accessory in its historical context with contemporary Leica models and lenses. Readers wishing to study Leica accessories further and looking for a more suitable bedside companion are referred to the author's Leica Collectors Guide which also includes comprehensive accounts of Leitz enlargers, projectors and binoculars.

The present work is the result of the First International Chariot Conference, jointly organised by the Netherlands-Flemish Institute in Cairo (NVIC) and the American University in Cairo (AUC) (30 November to 2 December 2012). The

intention of the conference was to make a broad assessment of the current state of knowledge about chariots in Egypt and the Near East, and to provide a forum for discussion. A wide variety of papers are included, ranging from overviews to more detailed studies focusing on a specific topic. These include philology, iconography, archaeology, engineering, history, and conservation. The book is of interest to scholars as well as anyone with an interest in ancient technology, transportation, or warfare.

Conservation Skills provides an overview of the issues facing conservators of historic and artistic works. It not only describes the nature of conservation but also provides an ethical framework to which the conservation of objects can be related. Drawing on case studies of well-known objects such as the body of Lindow Man and the Statue of Liberty it addresses the

following issues: * perception, judgement and learning * reasons for preserving the past * the nature and history of conservation * conservation ethics * recording, investigating, cleaning objects * stabilisation and restoration * preventive conservation * decision making and responsibilities.
