Mastering the Nikon Z7 by Darrell Young provides a wealth of experience-based information and insights for owners of Nikon's new mirrorless full-frame Z7 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and

why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The information in this book goes beyond the camera itself and also covers basic photography technique.

Mastering the Nikon Z6 II / Z7 II Rocky Nook, Inc.

This book is much more than just a history of the high-quality cameras and lenses that have made the Nikon brand a household name; it is also a chronicle of the birth of this most famous of Japanese photography equipment manufacturers and the way in which it has evolved over 100 years to keep abreast of advances in technology and ahead of the competition. This fully updated and expanded third edition is heavily illustrated throughout with rare archive material from around the world, and augmented by a feast of original shots and pictures of the cameras in use. The text is backed up by extensive appendices containing everything the avid Nikon collector needs to know. A celebration of the birth of this most famous of Japanese photography equipment manufacturers Nikon 2017 was the 100th Anniversary of Nikon. Fully updated and expanded third edition for 2018.

Long-time columnist and lifelong photographer Shawn M. Tomlinson writes about the art and technique of photography with wit and humor. He focuses in his Photo

Curmudgeon columns on getting started in as well as moving into advanced photography. Instead of concentrating upon the newest, shiniest photographic equipment, Tomlinson works with all levels of older equipment, makes recommendations and recounts his own "Voyages of Photography." He helps the novice get started with higher end, older cameras and lenses, and helps with photo editing suggestions and techniques.
