Presenting the thoroughly revised, fully illustrated edition of *The Nikon Compendium*,

updated by the technical editor of Nikon Owner magazine to include all the new Nikon cameras, lenses, and accessories. This is what Nikon enthusiasts have eagerly awaited: the most complete Nikon reference book ever. At almost double the length of the original, the guide describes virtually every Nikon camera ever produced, right up to the wide variety of popular digital models. It aids identification, offers user-friendly tips, explains what system fits with which camera, and discusses what limitations occur when equipment from one generation is married to items from another. Professional and amateur photographers, as well as enthusiasts, collectors, and retailers will want this on their bookshelves.

In 2006, in celebration of our 25th anniversary, we brought Schroeder's Antiques Price Guide to you for the first time in full color. It was so successful, we decided to keep that format from year to year, and once again are bringing it to you in full color. It still contains over 50,000 listings from reliable sources, more than 500 categories from Advertising to Zsolnay, histories and pertinent facts, and representative full-color photographs. This year's edition will start shipping in August 2008 and is guaranteed to maintain its #1 bestselling status both at Collector Books and across the country. Dealers throughout the U.S. rave annually about Schroeder's, saying it just keeps getting better and better. Undoubtedly this year's edition will be the best! You will be pleased it has kept its new look, and even happier that it is available at one of the lowest

prices you'll find for general antiques guides.
