Liverpool and Manchester Photographic Journal New Riders  
Canon has its origins in the 1930s when a designer and businessman came together to produce a Japanese 35mm camera that would rival the famous makes from Germany. Canon rangefinder cameras and lenses subsequently earned a high reputation for innovation and quality in the 1950s and ' 60s. This achievement was to be repeated with even more resounding success by the Canon SLR camera and lenses which followed. In

Nikon Camera Repair Handbook Springer Nature

Foreword by Skip Cohen Translating the chaos of the real world into a breathtakingly simple, beautiful photograph can often seem like an impossible task. With busy, cluttered backgrounds and subjects who don ' t know how to pose, how can you take control and get a great shot no matter the situation? In *Picture Perfect Practice*, photographer Roberto Valenzuela breaks down the craft of photography into three key elements – locations, poses, and execution – that you can use to unlock the photographic opportunities lying beneath every challenging situation. Valenzuela stresses the need for photographers to actively practice their craft every day – just like you would practice a musical instrument – in order to master the art of making great images. With chapters that offer practice exercises to strengthen your photographic abilities, you ' ll learn how to approach a scene, break it down, and see your way to a great photograph. The Location section features chapters that cover symmetry, balance, framing, color elements, textures, and much more. The Posing section includes the Five Key Posing Techniques that Valenzuela uses every time he ' s shooting people, as well as a complete list of poses and how to achieve, customize, and perfect them. The

---

Execution portion, with sections like “ Lighting through Direction ” and “ Simplicity through Subtraction, ” reveals Valenzuela ’ s overall approach to getting the shot. The book also includes an inspiring and helpful chapter on deliberate practice techniques, where Valenzuela describes his system for practicing and analyzing his work, which leads to constant improvement as a photographer. If you ’ ve been frustrated and overwhelmed by the challenges of real-world locations, posing your subjects, or executing a great image – or if you simply want to become a better shooter but don ’ t know where to start – Picture Perfect Practice gives you the tools and information you need to finally become the kind of photographer you ’ ve always wanted to be: the kind who can confidently walk into any location, under any lighting condition, with any subject, and know that you can create astonishing photographs that have a timeless impact.

Proceedings of the 1st Conference of the European Association on Quality Control of Bridges and Structures Amherst Media, Inc

The Hasselblad Manual Random House LLC

When it comes to photography, it ’ s all about the light. After spending more than thirty years behind the lens—working for National Geographic, Time, Life, and Sports Illustrated—Joe McNally knows about light. He knows how to talk about it, shape it, color it, control it, and direct it. Most importantly, he knows how to create it...using small hot shoe flashes. In The Hot Shoe Diaries, Joe brings you behind the scenes to candidly share his lighting solutions for a ton of great images. Using Nikon Speedlights, Joe lets you in on his uncensored thought process—often funny, sometimes serious, always fascinating—to demonstrate how he makes his pictures with these small flashes. Whether he ’ s photographing a gymnast on the Great Wall, an alligator in a swamp, or a fire truck careening through Times Square, Joe uses these flashes to create great light that makes his pictures sing.

Tokyo Camera Style Amherst Media, Inc

This book is much more than a history of the high-quality cameras and lenses that have made Nikon a renowned name in the world of photography. It is also a chronicle of the birth of this Japanese manufacturer and the way in which it has evolved to keep abreast of advances in technology and ahead of the competition. Profusely illustrated throughout with rare archive material from around the world, and augmented by a feast of original pictures of the cameras in use, the text is enhanced by extensive appendices containing a wealth of information for the avid Nikon collector.

"Mr. Barry is the funniest man in America and we should encourage him." --The New York Times Book Review

**THERE'S NO PLACE LIKE HOME--EXCEPT IN A SELLER'S MARKET** At long last, Dave Barry, the dean of everything, lets you in on the deepest, darkest mysteries of life and answers your hysterical home purchase questions like they've never been answered before: What's the best way to determine a realistic price range? Take your total family income, including coins that have fallen behind the bureau, and any projected future revenue you have been notified about via personalized letters from Mr. Ed McMahon stating that you may already have won 14 million dollars. Then, multiply by something other than six. Can you recommend a good mortgage? There are several kinds: Fixed Rate, Variable Rate, and the bank's secret weapons, the Party Hat Mortgage and the Mortgage of the Living Dead. How can I avoid spending money on do-it-yourself homeowner's projects? Find a contractor. Their silent motto is "We Never Show Up." The Romans lived among the ruins. You must too. Is there a secret to having a beautiful lawn? Yes and no. If you fail to feed, fertilize, and water your lawn, it will die. However, if you feed, fertilize, and water your lawn, it will die.

Unique portraits of Japanese photography fanatics and their gear from the trendsetting Tokyo Camera Style blog Founded in 2008, John Sypal ' s blog, Tokyo Camera Style, has a devoted and passionate international following and has inspired a network of similar blogs worldwide. In street portraits taken on the fly, we see Tokyo ' s film-camera enthusiasts posing

with their favorite photographic equipment. The images not only catalog the amazing range of cameras used by the most obsessive photography geeks but also offer a glimpse into a street culture where the photograph means everything and the camera takes center stage. Now, 300 of Sypal ' s colorful photographs of weird and wonderful cameras and their creative owners have been gathered together in a one-of-a-kind book. Often taken from above, with the camera owners ' faces out of view, the images show telling details that might otherwise have been missed: the clothes, the jewelry, hands and feet, shoes and socks, customized camera straps, and other photography-related paraphernalia. Beyond the wonderful selection of rare, customized, and vintage analog camera makes, models, and lenses are portraits of the individual personalities who make up the avid street photography scene in Japan.
