This new companion book to AMP's highly successful Everyone's Guide to Cancer Therapy, now in its fourth edition, is a comprehensive hands-on guide for patients and their families who face cancer's many challenges. Knowledge and information provide the greatest tools--and greatest comforts--for anyone fighting cancer or helping a family member or friend who is. Now AMP bolsters that strength-giving arsenal with Everyone's Guide to Cancer Supportive Care. Through more than 50 chapters, cancer care specialists Ernest and Isadora Rosenbaum--along with nearly 80 other medical experts--answer every conceivable question concerning a cancer patient's physical, psychological, and spiritual needs. This extremely effective format first appeared as Supportive Cancer Care (Sourcebooks 2001), but we've completely revised and updated the entire book to reflect the latest care advances and techniques. The wide range of covered topics includes: * Understanding cancer and its treatments *

Chemotherapy and bone marrow transplant side effects * Stress and cancer * The will to live * Cancer and spirituality * Sexuality * Nutritional considerations * Rehabilitation and fitness With this book, cancer patients and those who care for them can make informed decisions, face the disease with renewed courage, and care for both their well-being and their bodies. The Rosenbaums provide an incredible source of information and hope in the face of this frightening illness.

PMP Practice Makes Perfect Andrews McMeel Publishing

The Living History Anthology brings together twenty-six practical essays on the craft of establishing and running living history museums. Contributions cover all aspects of developing and running a living history site. Including contributions on strategic planning, human resource management, research programs, collection policies, and engagement with varied audiences, including indigenous groups, the book demonstrates how to approach such tasks from a living history perspective. Topics unique to the sector, such as re-enactment, historic trade crafts, and working with machinery and livestock, are also covered. Each essay is briefly introduced and contextualized by the editors, while the collection is bookended by a new foreword and afterword from Debra A. Reid, and an introduction from the editors. Representing the collective wisdom of the Association for Living History, Farm and Agricultural Museums (ALHFAM) members across the decades, The Living History Anthology provides a valuable resource for all living history practitioners. It should also be of interest to students and scholars studying living history.
