Search Tips. To search for a document, type a few descriptive words in the search box, and press the Enter key or click the search button. Google produces a results page with a list of documents and web pages that are related to your search terms, with the most relevant search results appearing at the top of the page.

NIOSH Pocket Guide to Chemical Hazards (2005-149) 3rd printing
The NIOSH Pocket Guide is an extremely helpful book that is very easy to use. It is laid out well, listing the most important chemicals that you are required to be aware of. It has a lot of useful information and sections which make it even easier to use. I highly recommend it for firefighters, safety personnel, and emergency managers.
