Corrupt politicians conspire to overthrow the American government for personal gain and an insatiable appetite for China and Mexico to rule a bankrupt United States threatens the entire nation. Americans go hungry and resort to anarchy as the nation's food has vanished while an insurgence of more than a quarter million illegal immigrants mysteriously gains entry. Grimly, it all adds up to one fateful outcome - the end of a sovereign America, the Constitution, and the way of life as we know it. But it's all up to one man to save the country from ruins, and the charismatic Cleat Masin aims to do just that. As a HITS agent and Special Forces Sergeant Major, Masin must race against the clock, powerful foes, and a corrupt government to destroy a menacing satellite and its evil operator. A World War II pilot, plane, and general go missing, and the discovery of a seventy-year-old missing Mexican-American decree eludes him, but finding it could mean the end of a hostile take over of a broke United States.
