Finding out the truth has proven to be a difficult thing for seventeen-year-old Emery. She had always believed she was on the right side. Finding out that wasn't true did not make things easy for her. Emery isn't just a druid, she's also a witch...like her mother. The trouble is, she only has a small portion of the truth. The full story is even more unbelievable than what she already knows. Can she survive the pain of what is to come? Can she figure it all out before it's too late? She and Liam have been told all along how they're stronger when they're together. Can they stay together? Can they fight their way through the traumas of both the past and the present? Can they handle what they'll have to do to stop Mara? Secrets and lies. Love and loss. Grief and joy. They will all be present until the end. Will peace or peril win the war? Can they find the one weapon which Emery has been told can stop the tyrant who stole the throne of Avalon? Brace yourself for the end of this gripping tale!

Some 35 years ago Datsun (now Nissan) introduced the 1970 Datsun 240Z sports car, emphatically disproving the perception that Japanese automakers could only produce economy cars. Designed specifically to appeal to the American market, the Z car has enjoyed long-term popularity with its sporty styling and impressive performance. Z car fans are loyal and numerous. Over 1.4 million Z cars have been sold worldwide, including 1 million-plus in the U.S. The five generations of Z cars include the latest version, the 350Z introduced in 2003, which has refueled interest in Z cars. This book will thoroughly cover the history of this breakthrough Japanese sports car, and will include official Datsun/Nissan photography and memorabilia such as advertising and international marketing materials.
