Describes the legal implications of open source and free software licensing and provides an

explanation of what an open source software license actually is, and how to draft one for personal use.

Quichotte Dundurn

A fascinating cultural history of this most magical of islands A rich and fascinating cultural history of the Mediterranean ' sthe rest, but

enigmatic heart Sicily is at the crossroads of the Mediterranean, and for over 2000 years has

been the gateway between Europe, Africa and the East. It has long been seen as the frontier between Western Civilization and

never definitively part of either. Despite being conquered by empires—Romans, Byzantines, Arabs, Normans, Hapsburg Spain—it remains uniquely apart. The island's story maps a mosaic that mixes the story of myth and wars, maritime empires and reckless crusades, and a people who refuse to be ruled. In this riveting, rich history Jamie Mackay peels away the layers of this most mysterious of islands. This

story finds its origins in ancient myth but has been reinventing itself across centuries: in conquest and resistance. Inseparable from these political and social developments are the artefacts of the nation's cultural patrimony—ancient amphitheatres, Arab gardens, Baroque Cathedrals, as well as great literature such as Giuseppe di Lampedusa's masterpiece *The Leopard*, and the novels and plays of Luigi Pirandello. In its

modern era, Sicily has been the site of revolution, *Cosa Nostra* and, in the twenty-first century, the epicentre of the refugee crisis. *The Invention of Sicily* is a dazzling introduction to the island, its history and its people.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While

this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion

automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information

throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car

repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

NEW YORK TIMES BESTSELLER • An epic Don Quixote for the modern age, “ a brilliant, funny, world-encompassing wonder ” (Time) from internationally bestselling author Salman Rushdie
SHORTLISTED FOR THE MAN BOOKER PRIZE • “ Lovely, unsentimental, heart-affirming . . . a remembrance of what holds our human lives in some

equilibrium—a way of feeling and a way of telling. Love and language. ” —Jeanette Winterson, The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TIME AND NPR Inspired by the Cervantes classic, Sam DuChamp, mediocre writer of spy thrillers, creates Quichotte, a courtly, addled salesman obsessed with television who falls in impossible love with a TV star. Together with his (imaginary) son Sancho, Quichotte sets off on a picaresque quest across America to prove worthy of her hand, gallantly braving the tragicomic perils of an age where “ Anythng-Can-Happen. ” Meanwhile, his creator, in a midlife crisis, has equally urgent challenges of his own.

Just as Cervantes wrote Don Quixote to satirize the culture of his time, Rushdie takes the reader on a wild ride through a country on the verge of moral and spiritual collapse. And with the kind of storytelling magic that is the hallmark of Rushdie's work, the fully realized lives of DuChamp and Quichotte intertwine in a profoundly human quest for love and a wickedly entertaining portrait of an age in which fact is so often indiscernible from fiction. Praise for Quichotte " Brilliant . . . a perfect fit for a moment of transcontinental derangement. " —Financial Times " Quichotte is one of the cleverest, most enjoyable metafictional capers this side of postmodernism. . . .

The narration is fleet of foot, always one step ahead of the reader—somewhere between a pinball machine and a three-dimensional game of snakes and ladders. . . . This novel can fly, it can float, it's anecdotal, effervescent, charming, and a jolly good story to boot. " —The Sunday Times " Quichotte [is] an updating of Cervantes's story that proves to be an equally complicated literary encounter, jumbling together a chivalric quest, a satire on Trump's America and a whole lot of postmodern playfulness in a novel that is as sharp as a flick-knife and as clever as a barrel of monkeys. . . . This is a novel that feeds the heart while it fills the mind. " —The Times (UK)

Driven to Distraction
 John Wiley & Sons (Piano/Vocal/Guitar Artist Songbook). 32 selections from contemporary superstars Coldplay are included in this songbook for piano, voice and guitar: Adventure of a Lifetime * Clocks * Every Teardrop Is a Waterfall * Fix You * Green Eyes * A Head Full of Dreams * In My Place * Magic * Paradise * The Scientist * A Sky Full of Stars * Speed of Sound * Trouble * Viva La Vida * Yellow * and more. Non-market Strategies in International Business Springer Nature 'Searingly honest... gripping... fascinating and hugely entertaining.' Sunday

Times 'Justin is a great broadcaster because he sounds like a real human being. This hugely entertaining book helps explain why'. John Humphrys 'Moving and frank ... A story of a childhood defined by loneliness, the absence of a father and the grim experience of a Quaker boarding school. It is also one of the most perceptive accounts of Britain in the 1970s.' Misha Glenny
.....
Justin Webb's childhood was far from ordinary. Between his mother's un-diagnosed psychological problems, and his step-father's untreated ones, life at home was dysfunctional at best. But with gun-wielding school masters and sub-standard living conditions, Quaker boarding school wasn't

much better. And the backdrop to this coming of age story? Britain in the 1970s. Led Zeppelin, Janis Joplin and Free. Strikes, inflation and IRA bombings. A time in which attitudes towards mental illness, parenting and masculinity were worlds apart from the attitudes we have today. A society that believed itself to be close to the edge of breakdown. Candid, unsparring and darkly funny, Justin Webb's memoir is a portrait of personal and national dysfunction. So was it the brutal experiences of his upbringing, or an innate ambition and drive that somehow survived them, that shaped the urbane and successful radio presenter we know and love now?

The Body Beneath the Willows Concept: Magic Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. The Academy of International Business (UK and Ireland Chapter)
Published in

association with the UK and Ireland Chapter of the Academy of International Business. This book provides theoretical and empirical insights into non-market political and social strategies that firms use when conducting international business. Political strategies include activities such as lobbying, campaign contributions, and using political ties and connections as a means of influencing policy making. Likewise, firms also engage in various social responsibility activities to maintain a good image in society and to improve their

legitimacy and reputation when operating globally. Multinational enterprises (MNEs) face various challenges in implementing non-market strategies due to institutional differences between their home and host contexts. Presenting fresh perspectives from a cast of international contributors, this book offers academics, students, and practitioners a greater understanding of how non-market strategies can be effective in international business. The Invention of Sicily e-artnow sro A woman's suicide puts a detective on the trail of a cold-

hearted con artist: " Outstanding . . . a maximum of suspense " (Publishers Weekly, starred review). When DI Tom Thorne is called to the site of a suicide, he expects to be in and out in no time. But when he arrives at the Underground station where a woman named Philippa Goodwin threw herself in front of a train, he inexplicably senses something awry and feels compelled to dig deeper. He soon discovers that she was the victim of a callous con man who preys on vulnerable women—and whose deception plunged Philippa to her end. Thorne enlists DI

Nicola Tanner to help him track down the swindler and bring him to justice. But the detective duo gets more than they bargained for when a young man's bludgeoned body turns up on the shore of a nearby seaside town and the two cases come together in a way that neither of the detectives could have foreseen . . . " A fantastic thriller . . . a gripping plot and lead characters of remarkable depth. Billingham is a multiple-award winner, and his books have sold more than six million copies.
