nissan patrol rd28 | Engine, Engine Parts & Transmission ...

The Nissan RD engine series is basically a Nissan RB engine design, except that it is only a single overhead cam six-cylinder diesel engine. It

was the successor to the Nissan LD and SD six-cylinder engines and was joined by the six-cylinder Nissan TD engine. From 1997 onwards the turbocharged versions were fitted with electronic fuel injection. The turbodiesel version known as the RD28T (or ... **Nissan RD engine -**

Wikipedia

Nissan is a leading auto manufacturer and has always presented high performance, state of the art, powerful engines

with maximum efficiency. If you are searching for high quality replacement engine for your Nissan vehicle then you are at the right place.

The Nissan Patrol GU Turbocharged RD28 2.8L has copped a lot of criticism as being a bit 'gutless'. Compared to other diesel wagons in Australia the 'gutless' label has some merit. Down low, it's engine is modest on torque. And it does suffer turbo lag due to the small size of the motor compared to the body.
