and a wireless cell phone link. Still, its cramped rear seat, lackluster acceleration, and ordinary handling make it less appealing than a Honda Civic or Mazda 3-or for that matter, Nissan 's own Versa. 2020 Nissan Sentra
The Daily Drive |
Consumer Guide®
The Nissan Sentra
moves from a class
also-ran to a much
more compelling
vehicle with its
redesign for 2020.
Though its driving
personality isn't
quite as sporty as its
looks, the Sentra
offers a fine selection
of upscale features
and is very
competitively priced,
even in topline SR
Premium trim.

what Consumer
Reports says about
the all-new Nissan
Sentra.
[2020 Nissan
Sentra -
Riverhead Nissan](#)
The redesigned
Sentra caps off a
flurry of activity
over the past
couple years in
Nissan's
traditional
passenger-sedan
lineup. A
completely
redesigned Altima
and a mildly
refreshed Maxima
both debuted as
2019 models, and
all-new (and much
improved) Versa
sedan went on sale
this past summer
as a 2020 model.

Sentra is this
philosophy in
practice. The V-
Motion design carries
from the front grille
to the rear, creating a
clean silhouette. The
available thin
projector LED
headlights cast a
brighter light, and
with the signature
taillights, Sentra
illuminates in brilliant
fashion.

Blue Book

But let's lead off
with not only how
the 2020 Sentra
compares to its
predecessor, but
also to its Versa
sibling. First, the
powertrain. Under
the hood of the
2020 Nissan
Sentra lies a
149-horsepower
2.0-liter four that
adds 25 horses to
the previously
standard 1.8-liter,
with the formerly
optional
188-horsepower
1.6-liter turbo
being dropped.
