The full story of Electramotive and NPTI is told, with interviews with Don Devendorf, John Knepp, Geoff Brabham, Trevor Harris, Kas	Kastner, Ashley Page, and many other members of the crew that won the IMSA Camel GT Championship from 1988 to 1991. The story of the European Group C Nissans, using chassis from March and Lola, from 1985 to 1992 is also told, along with interviews from many of the drivers and	technicians involved, such as Mark Blundell, Julian Bailey, Dave Price and Bob Bell. <i>Jewish Affairs</i> Provides information about secret warranties and confidential service bulletins related to a wide variety of cars and minivans, covering model years from 1980 to 1997, and includes ratings for used vehicles, and tips on how to get satisfaction from dealers and
