The Success Principles(TM) University of California Press "An almost perfect novel" of yearning, adventure, and redemption in the dying days of the Old West from the bestselling author of *Peace Like a River* (St. Louis Post-Dispatch). Minnesota, 1915. With success long behind him, writer, husband, and father Monte Becket has lost his sense of purpose . . . until he befriends outlaw Glendon Hale. Plagued by guilt over abandoning his

---

wife two decades ago, Hale is heading back West in search of absolution. And he could use some company on the journey. As the modern age marches swiftly forward, Becket agrees to travel into Hale's past, leaving behind his own family for an adventure that will test the depth of his loyalties and morals, and the strength of his resolve. As they flee the relentless former Pinkerton Detective who's been hunting Hale for years, Becket falls ever further into the life of an outlaw—perhaps to the point of no return. With its smooth mix of romanticism and

gritty reality, *So Brave, Young, and Handsome* examines one ordinary man's determination to risk everything in order to understand what it's all worth, in "an old-fashioned, swashbuckling, heroic Western . . . Be nice, but not too nice. Be successful, but not too successful. Just be likeable. Whatever that means? Women are stuck in an impossible bind. At work, strong women are criticized for being

cold, and warm women are seen as pushovers. An award-winning journalist examines this fundamental paradox and empowers readers to let go of old rules and reimagine leadership rather than reinventing themselves. Consider that even competent women must appear likeable to successfully negotiate a salary, ask for a promotion, or take credit for a job well done—and that studies show these actions usually make them less likeable. And this minefield is

doubly loaded when likeability intersects with race, ethnicity, sexual orientation, and parental status. Relying on extensive research and interviews, and carefully examined personal experience, *The Likeability Trap* delivers an essential examination of the pressure put on women to be amiable at work, home, and in the public sphere, and explores the price women pay for internalizing those demands. Rather than advising readers to make themselves likeable,

---

Menendez empowers them to examine how they perceive themselves and others and explores how the concept of likeability is riddled with cultural biases. Our demands for likeability, she argues, hinder everyone's progress and power. Inspiring, thoughtful and often funny, *The Likeability Trap* proposes surprising, practical solutions for confronting the cultural patterns holding us back, encourages us to value unique talents and styles instead of muting

them, and to remember that while likeability is part of the game, it will not break you. **My Life and An Era** Penguin From two scientists who have been at the forefront of manatee research for over three decades, *The Florida Manatee* offers an engaging, accessible introduction to manatee biology, including communication, diet, long-distance migration, and much more. This second edition is updated with new scientific research, as well as discussions of recent conservation efforts—largely driven by manatee injuries and deaths

resulting from boat collisions—that have contributed to the robust growth of manatee numbers in Florida. It also includes the latest predictions for manatee populations and health in the future, both in Florida and worldwide. This is the perfect book for anyone seeking the most comprehensive, current information on this fascinating marine mammal. *The King's Cavalier* Simon and Schuster This latest offering in the best-selling *Chicken Soup for the Teenage Soul* series explores a host of challenges faced by today's teens. Teen contributors share their thoughts and

feelings on difficult issues, ranging from poor self-image to thoughts of suicide, from family discord to coping with the loss, from peer pressure to school violence.

“My father’s life represented many layers of the human experience—freedman and Native American, farmer and rancher, rural educator and urban professional.”—John Hope Franklin Buck Colbert Franklin (1879–1960) led an extraordinary

life; from his youth in what was then the Indian Territory to his practice of law in twentieth-century Tulsa, he was an observant witness to the changes in politics, law, daily existence, and race relations that transformed the wide-open Southwest. Fascinating in its depiction of an intelligent young man’s coming of age in the days of the Land Rush and the closing of the frontier, *My Life and an Era* is equally important for its

reporting of the tri-racial culture of early Oklahoma. Recalling his boyhood spent in the Chickasaw Nation, Franklin suggests that blacks fared better in Oklahoma in the days of the Indians than they did later with the white population. In addition to his insights about the social milieu, he offers youthful reminiscences of mustangs and mountain lions, of farming and ranch life, that might appear in a Western novel. After returning from college in

---

Nashville and Atlanta, Franklin married a college classmate, studied law by mail, passed the bar, and struggled to build a practice in Springer and Ardmore in the first years of Oklahoma statehood. Eventually a successful attorney in Tulsa, he was an eyewitness to a number of important events in the Southwest, including the Tulsa race riot of 1921, which left more than 100 dead. His account clearly

shows the growing racial tensions as more and more people moved into the state in the period leading up to World War II. Rounded out by an older man's reflections on race, religion, culture, and law, *My Life and an Era* presents a true, firsthand account of a unique yet defining place and time in the nation's history, as told by an eloquent and impassioned writer. *Molly Moon Stops the World*

In American popular culture, Marilyn Monroe(1926–1962) has evolved in stature from movie superstar to American icon. Monroe's own understanding of her place in the American imagination and her effort to perfect her talent as an actress are explored with great sensitivity in Carl Rollyson's

---

engaging narrative. colleagues, close friends, and other biographers, and a careful rethinking of the literature written about her, Rollyson is able to describe her use of Method acting and her studies with Michael Chekhov and Lee Strasberg, head of the Actors' Studio in New York. The author also analyzes several of Monroe's own drawings, diary notes, and letters that have recently become available. With over thirty black-and-white photographs (some published for the first time), a new foreword, and a new afterword, this volume brings Rollyson's 1986 book up to date. From this comprehensive, yet critically measured wealth of material, Rollyson offers a distinctive and insightful portrait of Marilyn Monroe, highlighted by new perspectives that depict the central importance of acting to the authentic aspects of her being.

 THE WORLD THROUGH A FEMINIST LENS  
 For Nivedita Menon, feminism is not about a moment of final triumph over patriarchy but about the gradual

transformation of the contemporary social field so decisively that old markers shift forever. From sexual harassment charges against international figures to the challenge that caste politics poses to feminism, from the ban on the veil in France to the attempt to impose skirts on international women badminton players, from queer politics to domestic servants' unions to the Pink Chaddi campaign, Menon deftly illustrates how feminism complicates the field irrevocably. Incisive, eclectic and politically engaged, *Seeing like a Feminist* is a bold and wide-ranging book that reorders
