In gritty, penetrating prose, the short stories in *THE WINDOW IS A MIRROR* deftly mine both working-class and privileged sensibility to extract common elements. Characters of varying social strata are subjected to merciless scrutiny as they pursue prizes of dubious value, heedless of cost. Whether or not they get what they want is the least of their problems. In the end their disparate futilities mix them into a single tribe that looks like us.

A call from a Baltimore reporter catapults a mother down memory lane in an unconventional coming-of-age story that poses the question: Who are you when your back is against the wall? Sheri Calloway turns a job layoff into an opportunity to finally free herself from the weight of the stifling, generational family trauma which has long hovered over the town of Spruce Junction, North Carolina. She and her three children board a train to embark on a new life in Baltimore, Maryland to “make better moves”. Sheri is enthralled by everything Baltimore has to offer. She finds joy in walks around the Inner Harbor and gazing upon the picturesque city views from her office building’s conference room window. But Sheri eventually learns that things are not always as they seem when she inadvertently comes face-to-face with a drug crisis that has Baltimore firmly in its grip. When a series of unusual ailments befall Sheri’s children, she realizes she must push past self-doubts and fear to awaken the power within. Sheri connects with a group of concerned parents, led by a larger-than-life widowed mother of four, to take on unethical medical researchers and casually indifferent politicians. Inspired by actual events, *Vivid* is a story that spans time and space while illustrating how interconnected our journeys are and how it is never too late to become your own champion.

"This book is a book of faith, no doubt about it. But it is also a book about being healed. Sheri Stewart entrusts her readers with her story in *Nautilus*. The story of her pain, grief, healing, and forgiveness. She tells us about what has occurred in her life that

desperately needs to be mended. About being healed from troubles that are far beyond your control. This book, this short little book of poetic words, is the guidance I could easily see people seeking out when they need it most. I predict many lost souls will find peace within her words. I am not a religious person, but I can absolutely see where Ms Stewart made powerful points about love, life and forgiveness. I could most certainly see myself turning to this book for help when I, myself need it. Although Ms Stewart and I may on be different tracks when it comes to our own personal healing processes, she makes some pretty incredible points. Grace, light, love, energy, acceptance, faith, and forgiveness (or GLLEAFFS, as Sheri puts it), are all important aspects of life that humankind must learn throughout their time on Earth, and the author did a beautiful job telling her own story of growth in Nautilus. The whole point of her sharing her story was for other people to find their own path in life. To find their own home. Sheri Stewart did a truly wonderful job of teaching us all the meaning of Nautilus." Rebecca- The Literary Connoisseur

World Fantasy Award-winning author of *The Onion Girl* A brand-new installment in the Newford saga, the World Fantasy Award-winning series of urban fantasy fiction by a master of the form. Charles de Lint's urban fantasies, including *Moonheart*, *Forests of the Heart*, and *The Onion Girl*, have earned him a devoted following and critical acclaim as a master of contemporary magical fiction. At the heart of his work is the ongoing Newford series, of which this is the latest volume. The city of Newford could be any contemporary North American city . . . except that magic lurks in its music, in its art, in the shadows of its grittiest streets, where mythic beings walk disguised. And its people are like you and me, each looking for a bit of magic to shape their lives and transform their fate. Now, in this latest volume, we meet a bluesman hiding from the devil; a Buffalo Man at the edge of death; a murderous ghost looking for revenge; a wolf man on his first blind date; and many more. We're reunited with Jilly, Geordie, Sophie, the

Crow Girls, and other characters whose lives have become part of the great Newford myth. And De Lint takes us beyond Newford's streets to the pastoral hills north of the city, where magic and music have a flavor different but powerful still. An epic historical fiction novel of love and revenge, in the vein of Ken Follett's *Pillars of the Earth*, debut author James T. Hogg's *Girl With a Knife Book Two: Defense* features a compelling heroine who must fight for justice and vengeance in ever dangerous 1600s Colonial New England. Continuing the dramatic story of revenge that began with *Book One: Assault*, our heroine Faythe Emily Wentworth fights for the release of her father, unjustly jailed for witchcraft and incest. But the Downing clan still holds the town in sway, using bribery, threats, and murder to keep their control and ruin Faythe's family. Readers will become thoroughly invested in these compelling characters, richly portrayed by author Hogg. Much like J. K. Rowling's *Harry Potter* series, *Girl with a Knife* was originally a story Hogg would tell his daughters. He created a world where girls and women of all cultures are equal, or even superior, to the male characters around them, in books that will appeal to women and men of all ages.

Is there a silver lining to growing up in a dysfunctional family? Bestselling recovery author Karen Casey looks at stories of people who grew up in dysfunctional families and "the good stuff" that can come from the experience. "Throughout my many decades in recovery rooms I have interacted with thousands of women and men whose journeys reveal, in detail, the harrowing history of dysfunction that has troubled their lives," says Casey. "But what is also

apparent in their stories is their eventual and quite triumphant survival, often against extreme odds." Casey interviewed more than 24 survivors of families rife with dysfunction; survivors who willingly shared their stories and came to realize they had, surprisingly, thrived as the result of their often harrowing experiences. In *The Good Stuff from Growing Up in a Dysfunctional Family*, Casey shares the stories and the skills these survivors developed to live more creative and fulfilling lives.

The Window Is a Mirror Skyhorse Publishing, Inc. "Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe." What

happens when you realize you've had the career of your dreams, but you don't have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people's makeover stories, Sheri decided to "produce" her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood's favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri's stories offer profound inspiration for personal renewal.
