Thomas Garrett, a Quaker from Wilmington, Delaware, had a genial disposition unless provoked to defend his strong anti-slavery beliefs. He believed strongly in the Underground Railroad and in helping slaves escape and chafed under the Quaker belief in non-violence. When he died in 1871, Wilmington's black community saluted him as "their Moses." Station Master on the Underground Railroad was an important work in antebellum reform when it was first published in 1977. Author James McGowan disputed earlier arguments that white abolitionists were unified in their opposition to slavery and that they were largely responsible for the success of the Underground Railroad while the escaped slaves were helpless and frightened passengers who took advantage of a well-organized network. The present volume has been revised (in 2005) to include new information on Garrett's relationship with Harriet Tubman and the abolitionist newspaper editor William Lloyd Garrison. Now published in paperback, the book also gives readers a new perspective on Thomas Garrett, recognizing his shortcomings as well as the uncompromising nature of his Quaker faith.

NEW YORK TIMES BESTSELLER In this explosive book, New York Times bestselling author and president of Judicial Watch Tom Fitton explains how the Radical Left and the Deep State destroyed the Trump presidency. With his trademark "readable, engaging, persuasive" (The Washington Times) writing, Tom Fitton identifies the major forces posing a continued threat to American democracy. *Hillary Clinton Email Scandal: How the Clinton team and senior officials at the Obama State Department conspired to cover up Hillary Clinton's secret email system—and shocking revelations that tie the Obama White House to the cover-up!* *Voter Fraud: How Soros-funded groups attack states that seek to protect clean elections by challenging voter ID laws, and how the Left is cynically peddling COVID-19 crisis electoral "reforms," such as mail-in voting, which could increase voter fraud and election chaos. And shocking numbers about dirty voting rolls across the nation!* *Illegal Immigration: How deadly illegal "sanctuary" policies are exploding across America, and how our nation's sovereignty has been under assault by radical open-border advocates. Subversive Deep State collaborators with ties to the Clinton and Obama machines not only launched countless—often illegal—operations to stop and then remove Trump, but even more alarmingly, are working to transform the United States into something truly unrecognizable to all who believe in liberty and the rule of law.*

"This is must reading for every American who wants to save our nation" (Sean Hannity, #1 New York Times bestselling author). *Savage Worlds* Simon and Schuster

A mere proposal to legalize certain drugs results in dire consequences for all involved. US Senator Tom Graves's proposal to legalize drugs creates a backlash from the religious right, whose opposition is unwittingly organized and funded by Carlos Renner, one of Washington's many power brokers, not knowing that Renner is a drug lord. The opposition takes a deadly turn when a zealot detonates an explosive during the first hearing on the proposal, and Graves is hospitalized. During his recovery, he meets Dr. Victoria Bennett, a woman with a complicated past. Unaware of her background, they become involved. When tragedy later strikes, Graves resorts to his combat experience in Iraq to track down her murderer, who has fled to Rio. Captured by Renner, Graves is helped to escape by his daughter, Angelica, only to be tracked down and surrounded in an abandoned DEA safe house by Renner's trained assassins. Escape seems impossible. This book is an international thriller that shows there can be No Escape.

And its people are like you and me, each looking for a bit of magic to shape their lives and transform their fate. Now, in this latest volume, we meet a bluesman hiding from the devil; a Buffalo Man at the edge of death; a murderous ghost looking for revenge; a wolf man on his first blind date; and many more.
