*Canaan Hal Leonard Corporation (Book). Sinister Urge is the first in-depth, career-spanning biography of heavy-metal musician and filmmaker Rob Zombie. Born Robert Cummings in*

---

1965, Zombie is now as well known for his movies as he is for his music, which he has released and performed both as a solo artist and as part of his early band White Zombie. In both fields, he imbues his art with the vivid sense of macabre theater that has thrilled his millions of disciples since he and his band first emerged with Soul-Crusher in 1987. Although he has sold millions of albums and generated many more millions of

dollars at the box office, Zombie has never taken the easy option or the predictable route. Indeed, while the music industry and many of his peers have fallen to their knees in the last decade or so, Zombie has found a new edge, his work undiluted by success or middle age. Drawing on original research and new interviews with bandmates and associates, Sinister Urge takes a detailed look at Zombie's challenging

oeuvre, offering close analysis of his albums and films alongside tales of his life and work on and offstage. Savage Worlds Bloomsbury Publishing USA The science fiction and fantasy fields continue to evolve, setting new marks with each passing year. For the sixth year in a row, master anthologist Jonathan Strahan has collected stories to captivate,

---

entertain, and showcase the very best the genre has to offer. Critically acclaimed, and with a reputation for including award-winning speculative fiction, The Best Science Fiction and Fantasy of the Year is the only major “best of” anthology to collect both fantasy and science fiction under one cover. Jonathan Strahan has edited more than thirty anthologies and collections,

including The Locus Awards (with Charles N. Brown), The New Space Opera (with Gardner Dozois), and Swords and Dark Magic: The New Sword and Sorcery. Station Master on the Underground Railroad Conari Press World Fantasy Award-winning author of The Onion Girl A brand-new installment in the Newford saga, the World Fantasy Award-winning series of urban fantasy fiction by a master of the form. Charles de Lint's

urban fantasies, including Moonheart, Forests of the Heart, and The Onion Girl, have earned him a devoted following and critical acclaim as a master of contemporary magical fiction. At the heart of his work is the ongoing Newford series, of which this is the latest volume. The city of Newford could be any contemporary North American city . . . except that magic lurks in its music, in its art, in the shadows of its grittiest streets, where mythic beings walk disguised. And its people are like you and me, each looking for a bit of

---

magic to shape their lives and transform their fate. Now, in this latest volume, we meet a bluesman hiding from the devil; a Buffalo Man at the edge of death; a murderous ghost looking for revenge; a wolf man on his first blind date; and many more. We're reunited with Jilly, Geordie, Sophie, the Crow Girls, and other characters whose lives have become part of the great Newford myth. And De Lint takes us beyond Newford's streets to the pastoral hills north of the city, where magic and music have a flavor different but powerful still. At the Publisher's request,

BESTSELLER For more than ten years, Mitch Rapp has been on the frontline of the War against Terror. His bold actions have saved the lives of thousands - but in the process his list of enemies has grown inexorably. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son at the hands of

the infidels. He wants Rapp dead - and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No.1 counterterrorism operative - and they've decided to seize the chance. The Hunter has become the Hunted.

Subversive Deep State collaborators with ties to the Clinton and Obama machines not only launched countless—often illegal—operations to stop and then remove Trump, but even more alarmingly, are working to transform the United States into something truly unrecognizable to all who believe in liberty and the rule

of law. “This is must in the dark reading for every American who wants to save our nation” (Sean Hannity, #1 New York Times bestselling author). *The Best Science Fiction and Fantasy of the Year Volume 6* KBS Publishing People live in small, quiet towns because they enjoy the simple life. But sometimes these quiet little communities are the perfect venue for those with much more sinister motives. In *The Seduction of Paradise*, Joe McGowen and his family run head-on into the corruption and deceit one would only expect

underworld of large cities. Who could have known this seemingly idealistic life was little more than a façade? Who could have known that a common man like Joe McGowen would be called upon to act with uncommon strength to protect the town and people he loved? Joe discovers that not even his blissful town of Paradise is immune to the seductive nature of money and power. But Joe also discovers there are some who will not be seduced at any price. Deseret Book Is there a silver lining to growing up in a dysfunctional family?

---

Bestselling recovery author Karen Casey looks at stories of people who grew up in dysfunctional families and "the good stuff" that can come from the experience. "Throughout my many decades in recovery rooms I have interacted with thousands of women and men whose journeys reveal, in detail, the harrowing history of dysfunction that has troubled their lives," says Casey. "But what is also apparent in their stories is their eventual and quite triumphant survival, often against extreme odds." Casey interviewed more than 24 survivors of families rife with dysfunction; survivors who willingly shared their stories and came to realize they had,

surprisingly, thrived as the result of their often harrowing experiences. In *The Good Stuff from Growing Up in a Dysfunctional Family*, Casey shares the stories and the skills these survivors developed to live more creative and fulfilling lives.

Thomas Garrett, a Quaker from Wilmington, Delaware, had a genial disposition unless provoked to defend his strong anti-slavery beliefs. He believed strongly in the Underground

---

Railroad and in helping slaves escape and chafed under the Quaker belief in non-violence. When he died in 1871, Wilmington's black community saluted him as "their Moses." Station Master on the Underground Railroad was an important work in antebellum reform when it was first published in 1977. Author James McGowan disputed earlier arguments that white abolitionists were unified in their opposition to slavery and that they were largely responsible for the

success of the Underground Railroad while the escaped slaves were helpless and frightened passengers who took advantage of a well-organized network. The present volume has been revised (in 2005) to include new information on Garrett's relationship with Harriet Tubman and the abolitionist newspaper editor William Lloyd Garrison. Now published in paperback, the book also gives readers a new perspective on Thomas Garrett, recognizing his

shortcomings as well as the uncompromising nature of his Quaker faith. *No Escape* Simon and Schuster Lynching occurred more in Mississippi than in any other state. During the 100 years after the Civil War, almost one in every ten lynchings in the United States took place in Mississippi. As in other Southern states, these brutal murders were carried out primarily by white mobs against black victims. The complicity of communities and

---

courts ensured that few of the more than 500 lynchings in Mississippi resulted in criminal convictions. This book studies lynching in Mississippi from the Civil War through the civil rights movement. It examines how the crime unfolded in the state and assesses the large number of deaths, the reasons, the distribution by counties, cities and rural locations, and public responses to these crimes. The final chapter covers lynching's legacy in the decades since

1965; an appendix offers a chronology.
