Thomas Garrett, a Quaker from Wilmington, Delaware, had a genial disposition unless provoked to defend his strong anti-slavery beliefs. He believed strongly in the Underground Railroad and in helping slaves escape and chafed under the Quaker belief in non-violence. When he died in 1871, Wilmington's black community saluted him as "their Moses." Station Master on the Underground Railroad was an important work in antebellum reform when it was first published in 1977. Author James McGowan disputed earlier arguments that white abolitionists were unified in their opposition to slavery and that they were largely responsible for the success of the Underground Railroad while the escaped slaves were helpless and frightened passengers who took advantage of a well-organized network. The present volume has been revised (in 2005) to include new information on Garrett's

relationship with Harriet Tubman and the abolitionist newspaper editor William Lloyd Garrison. Now published in paperback, the book also gives readers a new perspective on Thomas Garrett, recognizing his shortcomings as well as the uncompromising nature of his Quaker faith.

Dead Girl Running Deseret Book Company

NEW YORK TIMES BESTSELLER In this explosive book, New York Times bestselling author and president of Judicial Watch Tom Fitton explains how the Radical Left and the Deep State destroyed the Trump presidency. With his trademark “readable, engaging, persuasive” (The Washington Times) writing, Tom Fitton identifies the major forces posing a continued threat to American democracy. Hillary Clinton Email Scandal: How the Clinton team and senior officials at the Obama State Department conspired to cover up Hillary Clinton’s secret email system—and shocking revelations that tie the Obama White House to the cover-up! Voter Fraud: How Soros-funded groups attack states that seek to protect clean elections by challenging voter ID laws, and how the Left is cynically peddling COVID-19 crisis electoral “reforms,” such as mail-in voting, which could increase voter fraud and election chaos. And shocking numbers about dirty voting rolls across the nation! Illegal Immigration: How deadly illegal “sanctuary” policies are exploding across America, and how our nation’s sovereignty has been under assault by radical open-border advocates. Subversive Deep State collaborators with ties to the Clinton and Obama machines not only launched countless—often illegal—operations to stop and then remove Trump, but even more alarmingly, are working to transform the United States into something truly unrecognizable to all who believe in liberty and the rule of law. “This is must reading for every American who wants to save our nation” (Sean Hannity, #1 New York Times bestselling author).

FROM ADULTERY... Ex-Marine and bodyguard Chris Coleman was a family man with a secret: He wanted to leave his wife for another woman, Tara Lintz. But as head of security for the world-famous Joyce Meyer Ministries—an evangelical organization that frowns on divorce—Coleman had to make other plans. TO MURDER... On May 5, 2009, Illinois police received a call from Coleman, who claimed he was unable to contact his family. When investigators arrived at his home, they found Coleman's wife and two sons strangled in bed. Across the walls, spray-painted in red, were various obscenities—the word punished among them. TO LIFE—OR DEATH. Who could have done something so sinister? As Coleman played the part of a grieving husband, forensic evidence at the crime scene told a different story. Key testimony from Lintz afforded yet more evidence of Coleman's guilt—and soon a jury would find him guilty of three counts of murder in the first degree.

Clay Castle By: J. I. Huston The author ' s inspiration for this story came about as she studied a watercolor print she bought at a benefit sale. A once beautiful old house had many tales to tell – ‘ if those walls could talk. ’ Town gossip of Clay City, for four generations, had centered around a house such as this. It really all begins with Lenny. While waiting for car repairs, she meets a couple of teenagers at the local pharmacy. While sipping her

cherry coke at the old fashioned soda fountain, the teenagers introduce her to the inner workings of Clay City. From their perspective, the most unique topic for a stranger to their town is the Clay Castle. As a private investigator by profession, Lenny finds this town and their castle 'an itch she can't scratch.' Contact with her new pharmacy friends with tidbits of events brings her back. Her first return visit entices her and she begins to unravel the town's mysteries. Uncovering uncomfortable things about their town makes some of the residents wish this redhead would just go away. She soon finds herself in the midst of one of the town secrets. Then the Clay Castle gets personal.

Sinister Urge Penguin

World Fantasy Award-winning author of The Onion Girl A brand-new installment in the Newford saga, the World Fantasy Award-winning series of urban fantasy fiction by a master of the form. Charles de Lint's urban fantasies, including Moonheart, Forests of the Heart, and The Onion Girl, have earned him a devoted following and critical acclaim as a master of contemporary magical fiction. At the heart of his work is the ongoing Newford series, of which this is the latest volume. The city of Newford could be any contemporary North American city . . . except that magic lurks in its music, in its art, in the shadows of its grittiest streets, where mythic beings walk disguised. And its people are like you and me, each looking for a bit of magic to shape their lives and transform their fate. Now, in this latest volume, we meet a bluesman hiding from the devil; a Buffalo Man at the edge of death; a murderous ghost looking for revenge; a wolf man on his first blind date; and many more. We're reunited with Jilly, Geordie, Sophie, the Crow Girls, and other characters whose lives have become part of the great Newford

Lynching occurred more in Mississippi than in any other state. During the 100 years after the Civil War, almost one in every ten lynchings in the United States took place in Mississippi. As in other Southern states, these brutal murders were carried out primarily by white mobs against black victims. The complicity of communities and courts ensured that few of the more than 500 lynchings in Mississippi resulted in criminal convictions. This book studies lynching in Mississippi from the Civil War through the civil rights movement. It examines how the crime unfolded in the state and assesses the large number of deaths, the reasons, the distribution by counties, cities and rural locations, and public responses to these crimes. The final chapter covers lynching 's legacy in the decades since 1965; an appendix offers a chronology.

#### No Escape Crown

A mere proposal to legalize certain drugs results in dire consequences for all involved. US Senator Tom Graves's proposal to legalize drugs creates a backlash from the religious right, whose opposition is unwittingly organized and funded by Carlos Renner, one of Washington's many power brokers, not knowing that Renner is a drug lord. The opposition takes a deadly turn when a zealot detonates an explosive during the first hearing on the proposal, and Graves is hospitalized. During his recovery, he meets Dr. Victoria Bennett, a woman with a complicated past.

Unaware of her background, they become involved. When tragedy later strikes, Graves resorts to his combat experience in Iraq to track down her murderer, who has fled to Rio. Captured by Renner, Graves is helped to escape by his daughter, Angelica, only to be tracked down and surrounded in an abandoned DEA safe house by Renner's trained assassins. Escape seems impossible. This book is an international thriller that shows there can be No Escape.

A call from a Baltimore reporter catapults a mother down memory lane in an unconventional coming-of-age story that poses the question: Who are you when your back is against the wall? Sheri Calloway turns a job layoff into an opportunity to finally free herself from the weight of the stifling, generational family trauma which has long hovered over the town of Spruce Junction, North Carolina. She and her three children board a train to embark on a new life in Baltimore, Maryland to "make better moves". Sheri is enthralled by everything Baltimore has to offer. She finds joy in walks around the Inner Harbor and gazing upon the picturesque city views from her office building 's conference room window. But Sheri eventually learns that things are not always as they seem when she inadvertently comes face-to-face with a drug crisis that has Baltimore firmly in its grip. When a series of unusual ailments befall Sheri 's children, she realizes she must push past self-doubts and fear to awaken the power within. Sheri connects with a group of concerned parents, led by a larger-than-life widowed mother of four, to take on unethical medical researchers and casually indifferent politicians. Inspired by actual
