No Lesser Plea (The Butch Karp and Marlene Ciampi Series ...
Butch Karp sniffs out the true legal motives of Louis and writes in magic marker on the case file 'No Lesser Plea' just in case it comes up for review again and he is not informed. The legal story is quite good but Tannenbaum's story bogs down in the antics of the District Attorney's office (it reminds me of the movie M*A*S*H but without the excuse of an insane war to push the characters to the edge of sanity).
