You! A Christian Girl's
Guide to Growing Up
John Wiley & Sons
Dr. John Shackelford,

Christian psychologist, there are many people who want to help you know with whom you share yourself. Your journey starts with being honest about your life and what you have been through - the good and the bad - and considering how it has affected you. He then offers three personality systems which have helped him and which can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram adds value as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr. Shackelford also offers chapters on the ego, the False Self and the True Self. In your life you go through painful experiences where you flounder and fail (collapse of False Self). This life crisis, though difficult, can be a portal from your ego-run-life, to a healthy dependence on God,

what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way, despite being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second part of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Gift, God's Will, and God's Desire. This can serve as a foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who made a consistent effort to pursue God and journal their experiences. The reader can see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this journey life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and God, so that one may in humility accept the riches of knowing Christ in a intimate way.

Following Him flows from deep attachment, gratitude, and having learned to hear His voice. The reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me." Galatians 2:20 NIV.

How women can overcome the pressure to please others and feel free to be their true selves Are you too nice for your own good? Do family members manipulate

you? Do coworkers take advantage of you? If this sounds familiar, read *The Nice Girl Syndrome*. In this breakthrough guide, renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships, can show you how to take control of your life and take care of yourself. Engel explains that women today simply cannot afford to be Nice Girls, because women who are too nice send the message that they are easy targets and are much more likely to be victimized emotionally, physically, and sexually. She identifies the seven different types of Nice Girls and helps you understand which type

or types might apply to you. Engel helps you determine whether the Nice Girl Syndrome is keeping you in an abusive relationship or in manipulative situations and helps you change Nice Girl beliefs and behaviors that are holding you back. Shows you how to confront the beliefs and behaviors that keep you stuck in a Nice Girl act as you replace them with healthier, more empowering ones Includes inspiring stories of women Engel has worked with who have found the courage and strength to stop taking abuse and start standing up for themselves "This book will challenge, entertain, and empower its readers."--Publishers Weekly (starred review) Written by renowned author and therapist

Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships Filled with wise advice, powerful exercises, and practical prescriptions, *The Nice Girl Syndrome* shows you step by step how to take control of your life and be your own strong woman.

With a little help, parents can raise assertive, confident, bully-proof children. While he shows parents how to avoid over-parenting and how to instill the virtues of toughness, wisdom, and courage, Paul Coughlin paints a clear picture of the real Jesus, not just the meek-

and-mild side often presented to children. By shaping confident and virtuous children, parents are giving them the tools to live a happy and more abundant life.

No More Nice Girls

A fascinating true story Chrissy grew up surrounded by the beauty of love and the ugliness of pain. The daughter of a pastor whose church was located in a rough-and-tumble area of Brooklyn, she witnessed the ravaging effects of the streets on the lives of the most desperatedrug addicts, derelicts, and other destitute

people. Yet her own home was a haven of warmth, filled with affection and love. Then something happened that tore her away from it. With the flip of a switch, Chrissy fell deeper and deeper into deception where haunting images and songs pointed to one thingperfection. Longing to be the girl in the song, she became entangled in an obsessive relationship. Before long, secret after secret led her down the path to becoming someone she didnt even recognize. Locked in to an impossible life, Chrissy found release from a surprising direction. Girl in the Song tells

the gripping, true story of a young woman whose choices led her to despair and incredible triumph. More than the story of one lost girl, Chrissys experience points to the power of hope to lead us away from destructive relationships and into a life that just might end happily ever after.

Raising Bully-Proof Kids

Thomas Nelson

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the

death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she reunites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has

come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

The Nowhere Girls Good Press

A refreshing perspective on being good reveals how being nice doesn't necessarily mean being good and utilizes the biblical model of Christ as an example of

a real man, showing men how to become genuinely masculine by being both gentle and bold.

“ A call-to-action to everyone out there who wants to fight back. ”

—Bustle “ Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down. ” —Kirkus Reviews (starred review)

“ Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering. ” —Amber Smith, New York Times bestselling author of *The Way I Used to Be*
Three misfits come together to avenge the rape of a fellow

classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They ' re everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle ' s restaurant. Erin Delillo is obsessed

with two things: marine biology and Star Trek: The Next Generation, but they aren't enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she's incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy's tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this

groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

The series is moving into hardcover in 2021. The First Book of Moses, Called Genesis ACU Press/Leafwood Publishers In a Culture of Distortions,

Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural

view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a

radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide
You Are the Girl for the Job
Createspace Independent Publishing Platform
When passivity and false niceness don't bring the abundant life Jesus promised, some Christian women try even harder to hide behind a fragile façade of pleasant perfection. Paul Coughlin and Jennifer Degler give women the empowering message that they have options far beyond

simply acting nice or being mean--if they will emulate the real Jesus Christ and face their fears of conflict, rejection, and criticism. Brimming with enlightening information, thought-provoking questionnaires, real-life stories, and biblically based teaching from both the male author of the pioneering *No More Christian Nice Guy* and a female clinical psychologist, this book will motivate women to allow God to transform them into authentic, powerful women

of loving faith.

I Kissed Dating Goodbye Grove/Atlantic, Inc. Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

Girl Meets God Tyndale Kids

A groundbreaking, insightful book about women and power from award-winning journalist Lauren McKeon, which shows how women are disrupting the standard (very

male) vision of power, ditching convention, and building a more equitable world for everyone. In the age of girl bosses, Beyoncé, and Black Widow, we like to tell our little girls they can be anything they want when they grow up, except they 'll have to work twice as hard, be told to "play nice," and face countless double standards that curb their personal, political, and economic power. Women today remain a surprisingly, depressingly long way from gender and racial equality.

It ' s worth asking: Why do we keep playing a game we were never meant to win? Award-winning journalist and author of F-Bomb: Dispatches from the War on Feminism, Lauren McKeon examines the many ways in which our institutions are designed to keep women and other marginalized genders at a disadvantage. In doing so, she reveals why we need more than parity, visible diversity, and lone female CEOs to change this power game. She talks to people doing power differently in a

variety of sectors and uncovers new models of power. And as the toxic, divisive, and hyper-masculine style of leadership gains ground, she underscores why it ' s time to stop playing by the rules of a rigged game.
