Just exercise just what we offer under as competently as review No More Christian Nice Guy When Being Instead Of Good Hurts Men Women And Children Paul Coughlin what you as soon as to read!

No More Nice Guys Harper Collins

Ripped from the pages of his New York Times bestselling Family Business series, Carl Weber brings you No More Mr. Nice Guy, the origin of Niles Monroe, the super-bad hitman who will one day become Paris Duncan's one true love. Niles has just returned from eight years of serving his country as a Special Forces sniper. He's looking forward to a consulting job with Dynamic Defense and spending time with his family, including his bipolar mother, Lorna, and his hard-drinking uncle, Willie. What Niles doesn't know is that Dynamic Defense is actually a CIA front. He's not interested in joining them, but they won't take no for an answer. Bridget St. John is one of the most beautiful women Niles has ever met, and she is also the most deadly. It is her job to recruit Niles to the Dynamic Defense team by any means necessary. When Niles is arrested for a murder he does not commit, Bridget makes him an offer he can't refuse: working for Dynamic Defense in exchange for his freedom. With Niles on board, Bridget begins to train him in ways he never imagined. Sometimes, however, the student becomes the teacher. Before she realizes what's happening, Bridget falls in love. When circumstances in his personal life collide with his work, Niles is forced to use his military skills to protect those closest to him. Fans are sure to appreciate this action-packed thriller that delivers love, drama, and suspense with Weber's trademark flair for unexpected twists and turns.

God Is Not Great Bethany House Pub
Newly single school counselor Josie Butler just made herself a Sexy To-Do list (featuring Bad Boys only). To her mortification, her best friend's gorgeous older brother Mack finds it...and laughs. But when Josie goes looking for some sexy fun, Mack's nice guy side turns all hot bad-assery, and suddenly she's pinned

against an alley wall. Hottest. Sex. Ever. Veterinarian Mack Kennedy can't believe Josie wants to ditch her sweet, girl-next-door lifestyle. Even worse, that she'd consider doing it with anyone but him. When she leaves for London they'll go back to being 'just friends' but until then, he's going to show her just how bad nice guys can be. And it's the perfect plan, as long as no one finds out... and no one falls in love. Each book in the Naughty or Nice series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 No More Mr. Nice Guy Book #2 Ask Me Nicely

No More Christian Nice Guy Urban Books
Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life--and love--in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level job at Empire magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of Empire's sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs it, "Nice Guy." Empire publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had, but the columnist-lovers

are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story." —Carolyn Kylstra, editor in chief, SELF "I COULD NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up my deadlines, but I absolutely loved it." —Kevin Kwan, author of Crazy Rich Asians

How Men and Women Can Escape Nice Guy Syndrome Penguin
NEW YORK TIMES BESTSELLER
The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And

evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “Christian America.” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “moral majority” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals’ most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

Raising Bully-Proof Kids Univ. of Queensland Press

At a time of astonishing confusion about what it means to be a man, Brad Miner has recovered the oldest and best ideal of manhood: the gentleman. Reviving a thousand-year tradition of chivalry, honor, and heroism, *The Compleat Gentleman* provides the essential model for twenty-first-century masculinity. Despite our confusion, real manhood is not complicated. It is an ancient ideal based on service to one's God, country, family, and friends—a simple but arduous ideal worthy of a lifetime of struggle. Miner's gentleman stands out for his dignity, restraint, and discernment. He rejects the notion that one way of behaving is as good as another. He belongs to an aristocracy of virtue, not of wealth or birth. Proposing neither a club nor a movement, Miner describes a lofty code of manly conduct, which, far from threatening democracy, is necessary for its survival. Miner traces the concept of manliness from the jousting fields of the twelfth century to the decks of the Titanic. The three masculine archetypes that emerge—the warrior, the lover, and the monk—combine in the character of the “compleat gentleman.” This modern knight cultivates a martial spirit in defense of the true and the beautiful. He treats the opposite sex with the passionate respect required by courtly love. And

he values learning in the pursuit of truth—all with the discretion, decorum, and nonchalance that the Renaissance called sprezzatura. The *Compleat Gentleman* is filled with examples from the past and the present of the man our increasingly uncivilized age demands.

Why Being Nice-- Instead of Good-- Hurts Men, Women, and Children Bethany House Publishers

Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.

The Hidden Power of a Man's Soul Bethany House

Men are in crisis. From every direction, they are presented with a deformed masculinity. One that sees women as conquests rather than partners. One that values success at work over success at home. One that hinders true and open friendships with other men who hold them up and hold them accountable. One that presents them as either the bumbling, disconnected dad in sitcoms or the predator in movies and video games (and the news). Men were made for more than this. It's time to rekindle the fire living inside of them and awaken them to the value of valiant, righteous manhood. Through inspiring stories and hard-hitting biblical truths, Stephen Mansfield uncovers the seven fires that ought to burn in a man's soul--the fires of destiny, heritage, friendship, love, battle, legacy, and God. This raw guide to the restoration of a noble, honorable manhood will challenge men of every generation to live well, invest in others, and leave a powerful legacy. "Being a man isn't about the illusions mass media presents to us as the way we all should live our lives. Stephen Mansfield is going to make this clear . . . and he's going to call you to be the man you are meant to be."--from the foreword by Scott Hamilton, four-time national and world champion and Olympic gold medalist "A brilliant and absolutely essential book! Mansfield's prose cuts through the cultural darkness like a lighthouse shining across a storm-tossed sea."--Brad Thor, #1 New York Times bestselling author "My friend Dr. Stephen Mansfield's new book, *Men on Fire*, takes us back to the kind of timeless knowledge, wisdom, and truth that have served as a guide for countless generations of men throughout history. It will inspire you to awaken that age-old drive and restore that inner voice that says, 'I can do this. Thank God for another chance.'"--Darrell Green, member of the Pro Football Hall of Fame and the NFL 100 All-Time Team "There is a war on masculinity today, one that is leaving males with neither the knowledge nor the drive to become men. Seductive sirens of secular socialism lure them into settling to be either thugs or wimps. *Men on Fire* is both the roadmap and the antidote. For all of our sakes, place this book in the hands of the men you most care about."--Rabbi Daniel Lapin, author, TV host, and president of the American Alliance of Jews and Christians

McClelland & Stewart

Deputy United States Marshal Mitch Knox apprehends fugitives for a living. His calm, cool, collected attitude and devastatingly handsome good looks earn him a well-deserved bad boy reputation, both in the field and out. While away on an assignment, he blows off some steam at a notorious Dallas nightclub. Solving the case that has plagued him for months takes a sudden backseat to finding out all there is to know about the gorgeous, shy blond sitting alone at the bar. Texas State Trooper Cody Turner is moving up the ranks, well on his way to his dream of being a Texas Ranger. While on a two-week mandatory vacation, he plans to relax and help out on his family's farm. Mitch is the last distraction Cody needs, but the tatted up temptation that walks into the bar and steals his baseball cap is too hard to ignore. As Mitch's case gains nationwide attention, how will he convince the sexy state trooper that giving him a chance won't jeopardize his life's plan...especially when the evil he's tracking brings the hate directly to his doorstep, threatening more than just their careers

Restoring the Forces That Forge Noble Manhood Parallax Press

Twenty-first-century men are too often frustrated cubicle dwellers while deep in their hearts they dream of Braveheart. The ancient Greeks believed manly courage--physical, moral, and spiritual--was found in the male soul. Called thumos, this type of courage appears in the New Testament, urging men to take action. For many men, thumos is the missing ingredient in their spiritual growth, ready to bless them with power, purpose, and integrity to make them better leaders, disciples, husbands, and fathers. Thumos, says Paul Coughlin, will repair the twenty-first-century male soul. In *Unleashing Courageous Faith* Paul Coughlin is simply a guy with a strong message for other guys--including former Christian Nice Guys. He unflinchingly looks at both the noble and undesirable aspects of thumos, coaching men to choose the good and resist the bad. This book is filled with practical help and information in Coughlin's signature readable style, packed with illustrations from his life and the lives of admirable men. It's ideal for men's groups as well as individuals.

The Pursuit of Joy in Singleness and Dating Courier Corporation

A life-giving message of change for women who are tired of pleasing others and who want to move from being nice to being good. *Nice Guys Don't Get Laid* Createspace Independent Publishing Platform Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with

others.

What to do when they say they're Christian but don't know Jesus
Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The Unsaved Christian equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more! If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.

Equipping Disciples Who Make Disciples
Crossway

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet – the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

The Story of the Good Little Boy
Library of Alexandria

Over 100,000 sold! This companion training manual to *Real-Life Discipleship* provides unique guidance and insight to pastors, church leaders, and their disciples as they work to create an effective discipleship program. With a thorough, results-oriented process that can be applied in other contexts and cultures, this manual explains the necessary components of disciple-making so that every church member can play a part in reaching others for Christ. A great leaders resource, it shows you how to cultivate new leaders for the future and equip them to make

disciples.

When Just Being Nice--Instead of Good--Hurts You, Your Family, and Your Friends
Entangled: Brazen

No More Christian Nice Guy showed you the eye-opening truth about Christian men becoming more and more passive, rarely recognizing how often they let themselves get walked on, and how being a doormat hurts their marriage and chances of getting married. Note: When you submit to what other people think you should be, you are seen as a Nice Guy. But Jesus wasn't a Nice Guy. He told it like it was. Jesus was a Good Guy. He was a real man. Always being agreeable only opens the door to opportunities to be lied to and manipulated by others. It's true; nice guys aren't always nice. This Study Guide dives deeper into the Nice Guy problem, helping you discover the true biblical model of manhood. Each chapter contains several exercises to help you move from passivity to assertiveness, plus a bevy of bonus information, including additional help for single Christian Nice Guys, which provides insights into the Christian Nice Guy problem not found in *No More Christian Nice Guy*. So join the Good Guy Rebellion and start living your life as a Christian Good Guy. Suggestions for small-group leaders make this suitable for use in groups or on your own.

Your Best Life Now
Bethany House

Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

Why Men Check Out and What You Can Do to Create the Intimacy You Desire

With a little help, parents can raise assertive, confident, bully-proof children. While he shows parents how to avoid over-parenting and how to instill the virtues of toughness, wisdom, and courage, Paul Coughlin paints a clear picture of the real Jesus, not just the

meek-and-mild side often presented to children. By shaping confident and virtuous children, parents are giving them the tools to live a happy and more abundant life.

Wild at Heart
Bethany House

"A personal look behind the scenes" (Publishers Weekly) of the presidency of Gerald Ford as seen through the eyes of Donald Rumsfeld—New York Times bestselling author and Ford's former Secretary of Defense, Chief of Staff, and longtime personal confidant. In the wake of Richard Nixon's Watergate scandal, it seemed the United States was coming apart. America had experienced a decade of horrifying assassinations; the unprecedented resignation of first a vice president and then a president of the United States; intense cultural and social change; and a new mood of cynicism sweeping the country—a mood that, in some ways, lingers today. Into that divided atmosphere stepped an unexpected, unelected, and largely unknown American—Gerald R. Ford. In contrast to every other individual who had ever occupied the Oval Office, he had never appeared on any ballot either for the presidency or the vice presidency. Ford simply and humbly performed his duty to the best of his considerable ability. By the end of his 895 days as president, he would in fact have restored balance to our country, steadied the ship of state, and led his fellow Americans out of the national trauma of Watergate. And yet, Gerald Ford remains one of the least studied and least understood individuals to have held the office of the President of the United States. In turn, his legacy also remains severely underappreciated. In *When the Center Held*, Ford's Secretary of Defense Donald Rumsfeld candidly shares his personal observations of the man himself, providing a sweeping examination of his crucial years in office. It is a rare and fascinating look behind the closed doors of the Oval Office, including never-before-seen photos, memos, and anecdotes, from a unique insider's perspective—"engrossing and informative" (Kirkus Reviews) reading for any fan of presidential history.
