Setter, an eminent Harley Street consultant, is trusted and admired by his circle of friends, devoting himself to the rehabilitation of the lonely and the misunderstood. But deep within himself Setter recognizes a latent streak of sadistic cruelty which enables him to perceive the truth about a delinquent youth whom he suspects of having taken part in a particularly repellent and senseless crime. It is for Setter to choose a punishment—and enforce it. An Error of Judgement is a subtle study of human weakness and conflict. Partly a wry social comedy and partly a study in good and evil, it is brilliantly written and observed, assured and skillful, and a truly modern work.

The first essay is a knockout, a lurid red heart wrapped in barbed wire.... This essay draws blood.” — Dwight Garner, New York Times "Unflinchingly candid memoir bolstered by thoughtfully researched history.... A nuanced and subtly intimate mosaic... her writing, lucid yet atmospheric, takes on a timeless ebb and flow.” — Jason Heller, NPR.org "Stunning.” — Rolling Stone “These large-hearted, meticulous essays offer an uncanny x-ray of our national psyche... showing us both the grand beauty of our American dreams and the heartbreaking devastation they wreak.” — Garth Greenwell, author of What Belongs to You Sarah Gerard follows her breakout novel, Binary Star, with the dynamic essay collection Sunshine State, which explores Florida as a microcosm of the most pressing economic and environmental perils haunting our society. In the collection’s title essay, Gerard volunteers at the Suncoast Seabird Sanctuary, a world renowned bird refuge. There she meets its founder, who once modeled with a pelican on his arm for a Dewar’s Scotch campaign but has since declined into a pit of fraud and madness. He becomes our embezzling protagonist whose tales about the birds he “rescues” never quite add up. Gerard’s personal stories are no less eerie or poignant: An essay that begins as a look at Gerard’s first relationship becomes a heart-wrenching exploration of acquaintance rape and consent. An account of intimate female friendship pivots midway through, morphing into a meditation on jealousy and class. With the personal insight of The Empathy Exams, the societal exposal of Nickel and Dimed, and the stylistic innovation and intensity of her own break-out debut novel Binary Star, Sarah Gerard’s Sunshine State uses the intimately personal to unearth the deep reservoirs of humanity buried in the corners of our world often hardest to face.

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

All Bleeding Stops Simon and Schuster
A poetry compilation recounting a woman ’ s journey from self-loathing to self-acceptance, confusion to clarity, and bitterness to forgiveness Following in the footsteps of such category killers as Milk and Honey and Whiskey Words & a Shovel I, Fariha Ro Ì ?isi Ì ?n ’ s poetry book is a collection of her thoughts as a young, queer, Muslim femme navigating the difficulties of her intersectionality. Simultaneously, this compilation unpacks the contentious relationship that exists between Ro Ì ?isi Ì ?n and her mother, her platonic and romantic heartbreaks, and the cognitive dissonance felt as a result of being so divided among her broad spectrum of identities.

#1 New York Times Bestseller “ THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I ’ ve never felt so hopeful about what I don ’ t know. ” —Bren é Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of Originals and Give and Take, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. Think Again reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.
The End of a Diary HarperCollins
As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. Kellen may not be innocent, but he is the fixed point in Wavy and Donal's chaotic universe. Instead of playing it safe, Wavy has to learn to fight for Kellen, for her brother, and for herself. About the Author Bryn Greenwood is a fourth-generation Kansan, one of seven sisters, and the daughter of a mostly reformed drug dealer. She earned a MA in Creative Writing from Kansas State University. “ [Manguso] has written the memoir we didn ’ t realize we needed. ” —The New Yorker In Ongoingness, Sarah Manguso continues to define the contours of the contemporary essay. In it, she confronts a meticulous diary that she has kept for twenty-five years. “ I wanted to end each day with a record of everything that had ever happened, ” she explains. But this simple statement belies a terror that she might forget something, that she might miss something important. Maintaining that diary, now eight hundred thousand words, had become, until recently, a kind of spiritual practice. Then Manguso became pregnant and had a child, and these two Copernican events generated an amnesia that put her into a different relationship with the need to document herself amid ongoing time. Ongoingness is a spare, meditative work that stands in stark contrast to the volubility of the diary—it is a haunting

account of mortality and impermanence, of how we struggle to find clarity in the chaos of time that rushes around and over and through us. “ Bold, elegant, and honest . . . Ongoingness reads variously as an addict ’ s testimony, a confession, a celebration, an elegy. ” —The Paris Review “ Manguso captures the central challenge of memory, of attentiveness to life . . . A spectacularly and unsummarizably rewarding read. ” —Maria Popova, Brain Pickings The Norton Book of American Short Stories Canongate Books

In June, 2005, while traveling in Vietnam, artist Harrell Fletcher visited The War Remnants Museum in Ho Chi Minh City. Deeply affected by the exhibit, Fletcher returned to photograph all of the images and text descriptions from the main museum with the intention of re-presenting the exhibition in the United States. Fletcher's exhibition The American War toured for two years, stopping at various U. S. venues including the Center for Advanced Visual Studies at M. I. T. and White Columns in New York City. With this collection of images, Fletcher encourages his audience to reconsider opinions of the War in Vietnam and other American wars that have occurred since. Harrell Fletcher is a visual artist working in mixed media: video, installation, photography and web based works. His work was featured in the 2004 Whitney Biennial. Fletcher has an MFA from the California College of Arts and Crafts and has taught and lectured in the US and Europe. In Spring 2004, he taught at New York's Cooper Union. A hallmark of his work is to devise strategies for transforming the everyday experiences and objects of community residents into curated exhibitions.

Twenty Thousand Leagues Under the Sea Open Road + Grove/Atlantic

"The work of Miranda July-the most impressively cross-disciplinary artist of her generation-is brought into focus in this mid-career retrospective. From her early rarely seen Riot Grrrl-influenced fanzines and performances to a career that has produced seminal films, fiction, sculptures, public art, and even a smartphone app, Miranda July has proven adept at articulating the poignancy and humor of the human plight while also achieving enormous acclaim along the way. This volume offers a close look at July's performance and video projects, award-winning films, digital multimedia, and written works, showcased via photography, stills, and archival ephemera, and narrated by friends, collaborators, curators, assistants, and audience members. It includes behind-the-scenes commentary from such figures as David Byrne, Spike Jonze, Lena Dunham, Carrie Brownstein, and Hans Ulrich Obrist, as well as by July herself, and reveals an intimate perspective on the process, struggles, and grit involved in forging one's own path"--

An Error of Judgement John Hunt Publishing

Winner of the 2007 Frank O'Connor International Short Story Award 'Blisteringly good' Guardian In her remarkable stories of seemingly ordinary people living extraordinary lives, Miranda July reveals how a single moment can change everything. Whether writing about a middle-aged woman's obsession with Prince William or an aging bachelor who has never been in love, the result is startling, tender and sexy by turns. One of the most acclaimed and successful short story collections, No One Belongs Here More Than You confirms Miranda July as a spectacularly original, iconic and important voice today.

“ These delightful stories do that essential-but-rare story thing: they surprise. They skip past the quotidian, the merely real, to the essential, and do so with a spirit of tenderness and wonder that is wholly unique. They are (let me coin a phrase) July-esque, which is to say: infused with wonder at the things of the world. ” —George Saunders, author of Tenth of December Award-winning filmmaker and performing artist Miranda July brings her extraordinary talents to the page in a startling, sexy, and tender collection. In these stories, July gives the most seemingly insignificant moments a sly potency. A benign encounter, a misunderstanding, a shy revelation can reconfigure the world. Her characters engage awkwardly—they are sometimes too remote, sometimes too intimate. With great compassion and generosity, July reveals their idiosyncrasies and the odd logic and longing that govern their lives. No One Belongs Here More Than You is a stunning debut, the work of a writer with a spectacularly original and compelling voice.

How to Cure a Ghost Simon and Schuster

A trade paperback reissue of National Book Award finalist Mary Gaitskill ’ s debut collection, Bad Behavior—powerful stories about dislocation, longing, and desire which depict a disenchanting and rebellious urban fringe generation that is searching for human connection. • Now a classic: Bad Behavior made critical waves when it first published, heralding Gaitskill ’ s arrival on the literary scene and her establishment as one of the sharpest, erotically charged, and audaciously funny writing talents of contemporary literature. Michiko Kakutani of The New York Times called it “ Pinteresque,” saying, “ Ms. Gaitskill writes with such authority, such radar-perfect detail, that she is able to make even the most extreme situations seem real... her reportorial candor, uncompromised by sentimentality or voyeuristic charm....underscores the strength of her debut. ”

The First Bad Man Catapult

Should neighborhoods change? Is wearing a suit a good way to quit smoking? Why do people think that if you do one thing, you're against something else? Is monogamy a trick? Why isn't making the city more fun for you and your friends a super-noble political goal? Why does a computer last only three years? How often should you see your parents? How should we behave at parties? Is marriage getting easier? What can spam tell us about the world? Misha Glouberman's friend and collaborator, Sheila Heti, wanted her next book to be a compilation of everything Misha knew. Together, they made a list of subjects. As Misha talked, Sheila typed. He talked about games, relationships, cities, negotiation, improvisation, Casablanca, conferences, and making friends. His subjects ranged from the sublime to the ridiculous. But sometimes what had seemed trivial began to seem important—and what had seemed important began to seem less so. The Chairs Are Where the People Go is refreshing, appealing, and kind of profound. It's a self-help book for people who don't feel they need help, and a how-to book that urges you to do things you don't really need to do.
