In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shrimek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Is there anything in the New Testament about the need for priests in the Church? Many Protestants would argue no. And if you point out that there is a priesthood in the Old Testament, they are likely to say it was a feature of the Old Covenant that was undone by Christ. How should a Catholic respond? In *Jesus and the Old Testament Roots of the Priesthood*, biblical scholar John Bergsma convinces readers that Jesus did, in fact, intend for a ministerial priesthood to be a key feature of the New Covenant. Bergsma shows how the priesthood is a major thread holding together the biblical story line—beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries, culminating with Christ. With chapter summaries and discussion questions included, *Jesus and the Old Testament Roots of the Priesthood* can readily be adapted into a four-part study for personal or small group use.
