1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles's writing—especially because The Lincoln Highway is so different from A Gentleman in Moscow in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including The Iliad, The Odyssey, Hamlet, Huckleberry Finn, and Of Mice and Men. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates

**Anna K** Harlequin

A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia “Count” Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, Anna K: A Love Story is a brilliant reimagining of Leo Tolstoy's timeless love story, Anna Karenina—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.
