El autor describe cómo la maldad y la venganza tratan de atraparnos en su denso fango y cómo, a su vez, cualquiera que esté dispuesto a pagar el precio de triunfar, puede volar a la realización. Es una novela clásica de superación personal. En su nueva versión, el autor moderniza los conceptos, suprime descripciones crudas y pulió la redacción y el contenido. Los temas que aborda son: soledad, pandillerismo, violación, alcoholismo, drogadicción, asertividad, embarazo no deseado, adopción, maltrato familiar, incesto, ataques, burlas y otros. Esta versión puede ser leída por todo público, incluso por jóvenes y adolescentes. Conserva el impacto de la original, pero ha sido adecuada para los tiempos modernos. Esta lectura de seguro que enriquecerá su vida.

For Macallan and Levi, it was friends at first sight. Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of Macallan's friends. They are platonic and happy that way. Eventually they realize they're

best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder . . . are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking again -- and one kiss away from true love? ghostgirl Penguin

A sensational memoir with all the emotional power of *The Fault in Our Stars*, *The Yellow World* is the story of cancer and survival that has moved and inspired readers around the world. My heroes don't wear red capes. They wear red bands. Albert Espinosa never wanted to write a book about cancer—so he didn't. Instead, he shares his most touching, funny, tragic, and happy memories in the hopes that others, healthy and sick alike, can draw the same strength and vitality from them. At thirteen, Espinosa was diagnosed with cancer, and he spent the next ten years in and out of hospitals, undergoing one daunting procedure after another, starting with the amputation of his left leg. After going on to lose a lung and half of his liver, he was finally declared cancer-free. Only then did he realize that the one thing sadder than dying is not knowing how to live. In this rich and rewarding book, Espinosa takes us into what he calls "the yellow world," a place where fear loses its meaning; where strangers become, for a moment, your greatest allies; and where the lessons you learn will nourish you for the rest of your life. U.K. praise for *The Yellow World* "With its uplifting message and simple philosophy, [*The Yellow World*] has the makings of a spiritual classic." —*The Sunday Times* "[An] energetic rush of a book . . . that shines with comedy and grace." —*The Independent*

A novel about friendship, feminism, and the knotty complications of tradition and privilege, perfect for fans of Becky Albertalli and Stephanie Perkins. Jemima Kincaid is a feminist, and she thinks you should be one, too. Her private school is laden with problematic traditions, but the worst of all is prom. The guys have all the agency; the girls have to wait around for "promposals" (she's speaking heteronormatively because only the hetero kids even go). In Jemima's (very opinionated) opinion, it's positively medieval. Then Jemima is named to Senior Triumvirate, alongside superstar athlete Andy and popular, manicured Gennifer, and the three must organize prom. Inspired by her feminist ideals and her desire to make a mark on the school, Jemima proposes a new structure. They'll do a Last Chance Dance: every student privately submits a list of crushes to a website that pairs them with any mutual matches. Meanwhile, Jemima finds herself embroiled in a secret romance that she craves and hates all at once. Her best friend, Jiyeon, has found romance of her own, but Jemima starts to suspect something else has caused the sudden rift between them. And is the new prom system really enough to extinguish the school's raging dumpster fire of toxic masculinity? Filled with Kate Hattemer's signature banter, this is a fast-paced and thoughtful tale about the nostalgia of senior year, the muddle of modern relationships, and how to fight the patriarchy when you just might be part of the patriarchy yourself.

Only Fear Dies is about the real possibility that we can stop being unhappy. This is one of the most radical books by the Australian spiritual master, Barry Long, who vividly describes how unhappiness seizes hold of us from birth, forms our personalities and dominates our history; how it is manipulated by the media and chases us to death and beyond. The root of unhappiness is fear. But

through living in a truly spiritual way--or 'dying for life'--we realize that it is only fear that dies. And this realization liberates us from persistent unhappiness. Written years before Eckhart Tolle's world best-seller 'The Power of Now', Barry Long's 'book of liberation' covers similar ground and has been hugely influential.
