El volumen Teoría de la novela, pasado, presente y futuro contiene los trabajos de varios investigadores acerca de este tema, un vasto y complejo objeto de estudio que ha sido abordado desde varios puntos de vista, con el común denominador de ofrecer nuevas miradas y de intentar avanzar en el camino de creación de una Teoría de la novela para el siglo xxi. Es uno de los resultados de investigación del proyecto Genus novel, liderado por Luis Beltrán Almería.

Convencidos del interés que suscita dicho tema y de la existencia de cierto estancamiento en los últimos años, hemos intentado abrir el campo y componer una obra que cumpla las expectativas

de los lectores.

Pero el regreso a su vida de alguien que no esperaba pondrá su vida del revés y le enfrentará a sus propios secretos, para los que quizá no está tan preparado como creía... Juan Arcones surgió como fenómeno en Wattpad con su novela juvenil *Alguien para ti*. “Relatable and comforting and challenging all at once. Don't be afraid to read this book.” —Jenny Lawson,

author of *Furiously Happy* A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with and that more

and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you.

Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. A PENGUIN LIFE TITLE
