You can look at something every day and never really see it. Payton Gritas looks at the back of Sean Griswold's head in most of her classes and has for as long as she can remember. They've been linked since third grade (Griswold-Gritas; it's an alphabetical order thing), but aside from loaning Sean countless number-two pencils, she's never really noticed him. Then Payton's guidance counselor tells her she needs a focus object—something to concentrate her emotions on while she deals with her dad's multiple sclerosis. The object is supposed to be inanimate, but Payton chooses Sean Griswold's head. It's much cuter than the atom models or anything else she stares at! As Payton starts stalking—er, focusing on—Sean's big blond head, her research quickly grows into something a little less scientific and a lot more crush-like. And once she really gets inside his head, Payton also lets Sean into her guarded heart. But obsessing over Sean won't fix Payton's fear of her dad's illness. For that, she'll have to focus on herself.

Some schools have honor codes. Others have handbooks. Themis Academy has the Mockingbirds. From the glossy pages of its admissions brochure, the prestigious Themis Academy appears perfect in every way: exceptional academics, extraordinary students, the kind of extracurriculars to make an Ivy League proud, and zero instances of student misbehavior. But this boarding school isn't as pristine as it appears. There's a dark underbelly to the perfect record the Themis administration flaunts. Student infractions are rampant, and it's up to a secret vigilante society, the Mockingbirds, to maintain order on campus—a responsibility their members take very seriously. Alex Patrick never thought she would need the Mockingbirds. But when she's date-raped by another student, she doesn't know where else to go. As much as she'd like to forget what happened, she can't escape the daily reminders of what went wrong that terrible night. Before she can summon the courage to take a stand, she'll have to accept that her battle for justice is not hers alone. Standing up for someone, especially yourself, is worth the fight.

Fans of Reese Witherspoon's Book Club picks eager for their next moving historical novel—look no further! Readers of *The Alice Project* and *The Lost Girls of Paris* will be enthralled by V.S. Alexander's *The Traitor*. Drawing on the true story of the White Rose—the resistance movement of young Germans against the Nazi regime—*The Traitor* tells of one woman who offers her life in the ultimate battle against tyranny during one of history's darkest hours. In the summer of 1942, as war rages across Europe, a series of anonymous leaflets appears around the University of Munich, speaking out against escalating Nazi atrocities. The leaflets are hidden in public places, or mailed to addresses selected at random from the phone book. Natalya Petrovich, a student, knows who is behind the leaflets—a secret group called the White Rose, led by siblings Hans and Sophie Scholl and their friends. As a volunteer nurse on the Russian front, Natalya witnessed the horrors of war first-hand. She willingly enters the White Rose's circle, where every hushed conversation, every small act of dissent could mean imprisonment or death at the hands of an infuriated Gestapo. Natalya risks everything alongside her friends, hoping the power of words will encourage others to resist. But even among those she trusts most, there is no guarantee of safety—and when danger strikes, she must take an extraordinary gamble in her own personal struggle to survive. Praise for V.S. Alexander's *The Irishman's Daughter* "Accompanied by an expertly rendered plot, bold and empathetic characters, and prose that jumps off the page, this tale will particularly satisfy fans of historicals and those looking for stories about the redeeming grace of faith and hard work." —Publishers Weekly, STARRED REVIEW

A novel about friendship, feminism, and the knotty complications of tradition and privilege, perfect for fans of Becky Albertalli and Stephanie Perkins. Jemima Kincaid is a feminist, and she thinks you should be one, too. Her private school is laden with problematic traditions, but the worst of all is prom. The guys have all the agency; the girls have to wait around for "promposals" (she's speaking heteronormatively because only the hetero kids even go). In Jemima's (very opinionated) opinion, it's positively medieval. Then Jemima is named to Senior Triumvirate, alongside superstar athlete Andy and popular, manicured Gennifer, and the three must organize prom. Inspired by her feminist ideals and her desire to make a mark on the school, Jemima proposes a new structure. They'll do a Last Chance Dance: every student privately submits a list of crushes to a website that pairs them with any mutual matches. Meanwhile, Jemima finds herself embroiled in a secret romance that she craves and hates all at once. Her best friend, Jiyoona, has found romance of her own, but Jemima starts to suspect something else has caused the sudden rift between them. And is the new prom system really enough to extinguish the school's raging dumpster fire of toxic masculinity? Filled with Kate Hattemer's signature banter, this is a fast-paced and thoughtful tale about the nostalgia of senior year, the muddle of modern relationships, and how to fight the patriarchy when you just might be part of the patriarchy yourself.
