In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before... In this clever and quirky follow-up to The Gates and The Internals, Samuel Johnson's life seems to have finally settled

down—after all, he’s still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he’s dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop’s opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves. The latest installment of John Connolly’s wholly original and creepily imaginative Samuel Johnson Tales, The Creeps is humorous horror for anyone who enjoys fiction at its best.

Shadow Voices Simon and Schuster
John Connolly conjures the Golden Age of Hollywood in this moving, literary portrait of Laurel & Hardy--two men who found their true selves in a comedic partnership. "AMBITIOUS . . . EVOKES THE STYLE OF SAMUEL BECKETT." --NEW YORK TIMES "BRILLIANT." --SEATTLE BOOK REVIEW "EXTRAORDINARY." --LIBRARY JOURNAL (STARRED REVIEW) An unforgettable testament to the redemptive power of love, as experienced by one of the twentieth century's greatest performers. When Stan Laurel is paired with Oliver Hardy, affectionately known as Babe, the history of comedy--not to mention their personal and professional lives--is altered forever. Yet Laurel's simple screen persona masks a complex human being, one who endures rejection and intense loss; who struggles to build a character from the dying stages of vaudeville to the seedy and often volatile movie studios of Los Angeles in the early years of cinema; and who is haunted by the figure of another comic genius, the brilliant, driven, and cruel Charlie Chaplin. Eventually, Laurel becomes one of the greatest screen comedians the world has ever known: a man who enjoys both adoration and humiliation; who loves, and is loved in turn; who betrays, and is betrayed; who never seeks to cause pain to anyone else, yet leaves a trail of affairs and broken marriages in his wake. But Laurel's life is ultimately defined by one relationship of such astonishing tenderness and devotion that only death could

sever this profound connection: his love for Babe.
