This is Nokia's entry-level phone, and so it is  
designed for calling, texting, storing contacts,  
and little else. It does all of these things very  
well, thanks to Nokia's superb and easy-to-use  
operating system technology. I bought it  
because I am a very light phone user, and I am  
exactly the kind of person this phone was aimed  
at.
