The Sleeping Dictionary Legas / Gaetano Cipolla

The essays in this volume explore the ways in which the Italian colonial experience continues to be relevant, despite the extent to which forgetting colonialism became an integral part of Italian culture and national identity.

NYU Press

A teenager discovers his voice in this contemporary love story from “one of young adult literature’s greatest living writers” (Booklist). Shy teenager Karl is desperately in love with his girlfriend,

Fiorella, a literary enthusiast who's asked him to write her a letter in which he reveals his true self. There's just one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella's favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives. A moving story of love and friendship, *Dying to Know You* is the perfect novel for "that cloudy expanse between older teenager and younger adult, a novel that doesn't pretend to advise, but merely sees its characters for who they really are" (The Guardian). "This quietly understated performance captures the wistfulness of music in a minor key."

—Kirkus Reviews

[The Hawkweed Prophecy](#) Springer Nature

The new year had begun and January was already nearing its end, but it was still very cold. The sparrows found it strange, that the men had declared that it was the new year, as everyone knows that the year only begins with the coming of spring. However, spring was late and a few intrepid sparrows decided to go looking for it. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The

Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

A dramatic and uniquely intimate portrait of twenty years in an Amazonian Indian Village.

The Story of the Year iUniverse

Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life.

When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—The Washington Post "A

trumpet blast for the imagination."—Sunday Times

The Book of Disquiet Edizioni il Frangente S.a.s
All I Need Is A Pen is a book of poems written for you to read in your spare time and to have fun reciting them wherever you go. This newly established poet from Brooklyn will make you want to grab a pen of your own and begin to write. Through songs, raps, plays even in stories and movies poetry can be expressed. Starting with an idea, next a vision, then it is written. Leonna reveals her own version of poetry broken into four sections. Something we all can relate to and understand. Her poems are exhilarating and eclectic. You will feel each one as if it were your own way of thinking. As you read on you will find her flow of words uplifting and genuine. Get ready to laugh, smile, cry, and be shocked with the approach she gives you. This extraordinary collection of poems is for you to enjoy and to also utilize as a reminded to never give up hope. There is definitely a lot of talent stimulating the world everyday. Here's mine and don't forget to tell a friend! SUPPORT TALENT! All I Need Is A Pen is guaranteed a book not to bore you. But it will keep you yearning for more and thinking of reality instead of fantasizing all the time. Creativity comes from the mind and heart that is where dreams start. Build on it, you will feel optimistically sharp!

World War II stories on Italian women in the Resistance as heroines and traitors, and the way they exploited their femininity. In *Red Flag*, a woman hides guns by covering them with a soiled sanitary napkin.

Dialect Poetry of Southern Italy Knopf Books for Young Readers

As a comprehensive account of all aspects of dialectology this updated edition makes an ideal introduction to the subject.

Partisan Wedding Sunfood Nutrition

A woman and her young son travel by car through the southern and midwestern United States in this heartbreakingly spare novel-in-dialogue. As the mother drives, she and the boy, Roy, trade impressions of the landscape and of life, in the process approaching an understanding of each other and their shared inner landscape. "Mom, can we drive to Wyoming?" "You mean now?" "Uh-huh. Is it far?" "Very far. We're almost to Georgia." "Can we go someday?" "Sure, Roy, we'll go." "We won't tell anyone, right, Mom?" "No, baby, nobody will know where we are." "And we'll have a dog." "I don't see why not." "From now on when anything bad happens, I'm going to think about Wyoming. Running with my dog." "It's a good thing, baby. Everybody needs Wyoming." —from Wyoming

Ellis Island Nation Bloomsbury Publishing
Scientists need statistics. Increasingly this is accomplished using computational approaches. Freeing readers from the constraints, mysterious

formulas and sophisticated mathematics of classical statistics, this book is ideal for researchers who want to take control of their own statistical arguments. It demonstrates how to use spreadsheet macros to calculate the probability distribution predicted for any statistic by any hypothesis. This enables readers to use anything that can be calculated (or observed) from their data as a test statistic and hypothesize any probabilistic mechanism that can generate data sets similar in structure to the one observed. A wide range of natural examples drawn from ecology, evolution, anthropology, palaeontology and related fields give valuable insights into the application of the described techniques, while complete example macros and useful procedures demonstrate the methods in action and provide starting points for readers to use or modify in their own research.

Dopo l'appassionante Sein, una virgola sull'acqua. Ritratto di un'isola bretonne

leggendaria, la saga continua seguendo il filo conduttore dei fari di Bretagna.

Un'avvincente lettura del lato "oscuro" dei fari, che per lungo tempo sono stati punti di riferimento vitali per le navi in balia dell'immensa furia del mare. Le pagine svelano il racconto affascinante delle origini dei fari più belli di Francia, alcuni dai nomi mitici; un itinerario che si snoda tra paesaggi magnifici e austeri che mutano a seconda della luce e delle maree. La voce del faro si mescola ai presagi della tempesta e narra i terribili eventi e i piacevoli ricordi che riemergono durante le violente mareggiate. Si svelano le sensazioni più intime del guardiano del faro, che si stemperano in un'atmosfera di drammatici scenari; si riporta a galla la storia, racconti in via di estinzione avvolti da un'aura di romanticismo. Il faro: un luogo di pietra che richiama energia; un punto d'incontro per esplorare e meditare, testimone perenne dell'illustre mare.

The author recounts his experiences traveling in India, and shares his impressions of the land, its people, and culture

Descrittione Di Tutta Italia Peter Lang

Though debates over immigration have waxed and waned in the course of American history, the importance of immigrants to the nation's identity is imparted in civics classes, political discourse, and television and film. We are told that the United States is a "nation of immigrants," built by people who came from many lands to make an even better nation. But this belief was relatively new in the twentieth century, a period that saw the establishment of immigrant quotas that endured until the Immigrant and Nationality Act of 1965. What changed over the course of the century, according to historian Robert L. Fiegl, is the rise of "contributionism," the belief that the newcomers from eastern and southern Europe contributed important cultural and economic benefits to American society. Early twentieth-century immigrants from southern and eastern Europe often found themselves criticized for language and customs at odds with their new culture, but initially found greater acceptance through an emphasis on their similarities to "native stock" Americans. Drawing on sources as diverse as World War II films, records of Senate subcommittee hearings, and anti-Communist propaganda, Ellis Island Nation describes how contributionism eventually shifted the focus of the immigration debate from assimilation to a Cold War celebration of

ethnic diversity and its benefits—helping to ease the passage of 1960s immigration laws that expanded the pool of legal immigrants and setting the stage for the identity politics of the 1970s and 1980s. Ellis Island Nation provides a historical perspective on recent discussions of multiculturalism and the exclusion of groups that have arrived since the liberalization of immigrant laws.

The Second Edition of *Parliamo italiano!* instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute *Parliamo italiano!* video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

Nature's First Law Houghton Mifflin College Division

Poppy Hooper and Ember Hawkweed couldn't lead more different lives. Poppy is a troubled teen: moving from school to school, causing chaos wherever she goes, never making friends or lasting connections. Ember is a young witch, struggling to find a place within her coven and prove her worth.

Both are outsiders: feeling like they don't belong and seeking escape. Poppy and Ember soon become friends, and secretly share knowledge of their two worlds. Little do they know that destiny has brought them together: an ancient prophecy, and a life-changing betrayal. Growing closer, they begin to understand why they've never belonged and the reason they are now forever connected to each other. Switched at birth by the scheming witch Raven Hawkweed, Poppy and Ember must come to terms with their true identities and fight for their own place in the world. Enter Leo, a homeless boy with a painful past who – befriending them both – tests their love and loyalty. Can Poppy and Ember's friendship survive? And can it withstand the dark forces that are gathering?

All I Need Is A Pen Xist Publishing

There was time when my country was the country of fairy tales, a country where every child would want to grow and play. This is the story of the author's physical and emotional journey from her war-torn homeland, Somalia. Some time after the military coup in 1969 Shirin left Mogadishu and moved to Italy to make a new life and home for herself and her family. Since then she has crossed continents and lived in several cities, facing the challenge of integrating with many different kind of society before settling in England in 2010. This book encapsulates her reflections on the Somali diaspora.

Lu Pavone University of Missouri Press

The Printz Award–winning classic gets a new

look. Written in haunting, lyrical prose, Kit's Wilderness examines the bonds of family from one generation to the next, and explores how meaning and beauty can be revealed from the depths of darkness. The Watson family moves to Stoneygate, an old coal-mining town, to care for Kit's recently widowed grandfather. When Kit meets John Askew, another boy whose family has both worked and died in the mines, Askew invites Kit to join him in playing a game called Death. As Kit's grandfather tells him stories of the mine's past and the history of the Watson family, Askew takes Kit into the mines, where the boys look to find the childhood ghosts of their long-gone ancestors.
