The Love Wins Companion St. Martin's Essentials

As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller Love Wins, Rob Bell now transforms how we understand and practice marriage in The Zimzum of Love, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, The Zimzum of Love. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes

a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

**Putting on the Character of Christ** HarperChristian Resources

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

What We Talk About When We Talk About Love Lifeway Church Resources

When pastor and bestselling author Rob Bell published Love Wins, it upset many while also changing lives as he questioned who was saved, who was not, and how it all works. Bell dared to question whether hell is forever, and asked if only Christians will go to heaven, igniting a firestorm of praise and backlash across the country. Bell is known for taking an existing genre and reinventing it. In this case, he takes the traditional study guide format for popular books and reinvents it as an opportunity for modeling the kind of conversation and debate the church should be having.

There is a church not too far from us that recently added a \$25 million addition to their building. Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty. This is a book about those two numbers. Jesus Wants to save Christians is a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity. It's about empty empires and the truth that everybody's a priest. It's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from. It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers.

Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it ' s over? Or is there more going on here? In our increasingly polarized and disoriented world, Everything Is Spiritual gives us a radical new take on how it all fits together, how it works, how it ' s all connected. Many people often debate the central claims of the Christian faith. But maybe a better understanding of the history of the early Christian movement would give new perspective to these discussions.

What We Talk About When We Talk About God HarperCollins UK

Brilliant Lent course for individuals and groups, based on the Oscar-winning film 'The King's Speech'. The purpose of 'Finding a Voice' could be summed up in the words of the King's speech therapist: 'To give them faith in their voice and let them know a friend is listening.' The course, which offers five group sessions plus weekly material for private reading, uses the film as a discussion starter and relates it to what the Bible has to say about such universal issues as discouragement and determination, fear and friendship, calling and courage. 'The King's Speech' is such a runaway success because it holds that mirror to our world, and offers hope of overcoming the difficulties. It shows hope built out of friendship, trust and supportive love; and courage in the face of gathering evil. Lent is traditionally a time for strengthening resolve, bringing believers together in trust and encouragement as they strive to follow their calling.

Falling in Love with the God Jesus Knows Darton Longman and Todd

If God were throwing a party, would everyone be invited? Or does God invite some and not others? And if so, how does God decide? Is it what you say? Is it what you do? Is it what you're going to do? Is it who your friends are? Or what your friends do? Or what religion you happened to be born into? Or where you live, or what you look like, or what you believe? What if the idea of heaven and hell that we have been taught is not, in fact, what the Bible teaches? What if Jesus meant something very different by the concepts of heaven, hell, and salvation from how we've come to understand them? And what if the answer to life's meaning is much better than we ever imagined? In his teen edition of the bestselling book *Love Wins*, Rob Bell tackles all these questions in a way that addresses the real challenges of growing up in today's world. This is not just a book of questions and this is not just a book of answers. This is a book of exploration. This is a book of discovery. This is a book about why love wins.
