Forty-eight eyes with massive periretinal proliferation were examined with ultrasonography. In addition to the triangular retinal detachment T-sign was indicative of severe MPP. And irregular thickening and bending of the retina were observed on ultrasonography in eyes with MPP. The detached retina was immobile in all eyes. Walking in the Dust of Rabbi Jesus Zondervan

In this simple, beautifully written book Rowan Williams explores four essential components of the Christian life: baptism, Bible, Eucharist, and prayer. Despite huge differences in Christian thinking and practice both today and in past centuries, he says, these four basic elements have remained constant and indispensable for the majority of those who call themselves Christians. In accessible, pastoral terms Williams discusses the meaning and practice of baptism, the Bible, the Eucharist, and prayer, inviting readers to really think through the Christian faith and how to live it out. Questions for reflection and discussion at the end of each chapter help readers to dig deeper and apply Williams's insights to their own lives.

A blend of understandable explanations and real-life stories. "Why I Am a Lutheran explores the foundational teachings of the Christian church. In each chapter, Daniel Preus calls upon more than 20 years of pastoral experience to reveal Jesus as the center of the Christian faith. What Is the Bible? HarperOne

How God is described today strikes many as mean, primitive, backward, illogical, tribal, and at odds with the frontiers of science. At the same time, many intuitively feel a sense of reverence and awe in the world. Can we find a new way to talk about God? Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins*: he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God. Bell reveals how we got stuck, why culture resists certain ways of talking about God, and how we can reconnect with the God who is with us, for us, and ahead of us, pulling us forward into a better future—and ready to help us live life to the fullest.

This enhanced edition of LOVE WINS includes extras such as the complete LOVE WINS COMPANION as well as the book trailer video that started it all and ten brand-new videos

featuring Rob Bell discussing each of the chapters. In *LOVE WINS*, bestselling author of *VELVET ELVIS* and the 2 million-plus selling Nooma videos, Rob Bell, reveals a secret deep in the heart of millions of Christians—they don't believe what they have been taught are the essential truths of their faith. Bell brings out to the open and faces squarely the questions on everyone's mind: Does it really make sense that God is a loving, kind, compassionate God who wants to know people in a personal way, but if they reject this relationship with Jesus, they will be sent to hell where God will eternally punish them forever? Bell goes to the heart of these issues and argues that the church's traditional understanding of heaven and hell is actually not taught by the Bible. Bell is emphatically not offering a new view of heaven and hell—instead, he closely examines every verse in the Bible on heaven and hell and shows what they really teach. And he discovers that Jesus's most fundamental teaching about heaven and hell is, "Love wins."

You 015---Rob Bell Discussion Guide (5-Pack) Wm. B. Eerdmans Publishing
Instant New York Times Bestseller Rob Bell, the beloved author of *Love Wins* and *What We Talk About When We Talk About God*, goes deep into the Bible to show how it is more revelatory, revolutionary, and relevant than we ever imagined—and offers a cogent argument for why we need to look at it in a fresh, new way. In *Love Wins*, Rob Bell confronted the troubling questions that many people of faith were afraid to ask about heaven, hell, fate, and faith. Using the same inspired, inquisitive approach, he now turns to our most sacred book, the Bible. *What Is the Bible?* provides insights and answers that make clear why the Bible is so revered and what makes it truly inspiring and essential to our lives. Rob takes us deep into actual passages to reveal the humanity behind the Scriptures. You cannot get to the holy without going through the human, Rob tells us. When considering a passage, we shouldn't ask "Why did God say . . .?" To get to the heart of the Bible's meaning, we should be asking: "What's the story that's unfolding here and why did people find it important to tell it? What was it that moved them to record these words? What was happening in the world at that time? What does this passage/story/poem/verse/book tell us about how people understood who they were and who God was at that time?" In asking these questions, Rob goes beyond the one-dimensional question of "is it true?" to reveal the Bible's authentic transformative power. Rob addresses the concerns of all those who see the Bible as God's Word but are troubled by the ethical dilemmas, errors, and inconsistencies in Scripture. With *What Is the Bible?*, he recaptures the Good Book's magic and reaffirms its power and inspiration to shape and inspire our lives today.
