How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life. In The Walk, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus ’ own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church. In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith. Additional components for a six-week adult study include a comprehensive Leader Guide and a DVD featuring the engaging teachings of author and pastor Adam Hamilton. Also available are resources for children and youth.

England's Protestant Reformation was a bloody and violent affair as various factions in the church and nation battled over the future of Christianity. Between 1556 and 1645, two Archbishops of Canterbury and a King of England were executed. At the heart of it all was a book crafted by Archbishop Thomas Cranmer. The Book of Common Prayer guided – and some would say, goaded – a religious shift entirely unique in Christendom. The BCP charted a controversial middle road between Catholic heritage and Protestant reform. It was a road, filled with passions, colorful personalities and life-and-death struggles. Suitable for church forums or private study, Concise History is both challenging and accessible. Each lesson includes questions to guide group discussion and to provoke serious personal reflection. Clergy, laiy and students of Anglican history and theology will find in this work a dramatic narrative and an invitation to deepen their faith.  
The Belonging Project - Women's Bible Study Guide with Leader Helps Chronicle Books  
Leadership begins from within. It is defined by a mindset, rather than a title or role. Leadership that stems from deep self-knowledge is magnetic, dynamic and authentic. The challenge is knowing how to access the genius within each of us and find peace through self-knowledge so that we can embody true leadership. When we accomplish this, leading feels easy and natural. Others follow and engage because the genuine connection that humans crave happens when we achieve alignment within ourselves. Everyday Genius: A Guide to Peaceful Leadership provides a map to achieving this leadership mindset. Whether you want to improve your ability to lead teams or simply want a grounded approach to navigating the world around you, this book provides insights and tools to help you find your way.

The Last Surviving Dinosaur: The TyrantoCrankaTsuris introduced the kid readers to the tiniest, most dangerous dinosaur on the planet: The TyrantoCrankaTsuris. All humans descended from this tiny dinosaur-and this follow-up book for adults examines how "crankiness" is part of our nature. Using good humor throughout, Steven Joseph observes that we typically do not hesitate to pour out our CrankaTsuris all over our spouses, kids, parents, and siblings-and then there can be a CrankaTsuris retaliation. Before you know it, you are in the middle of a CrankaTsuris food fight. We're all cranky at times, but it's imperative we find a more effective way to be cranky while still making the world a happier place. In this book, learn how to: - Create space for both yours and your family's crankiness - Utilize a fun "team" approach to crankiness - Take steps to avoid being too cranky - Improve communication with friends and family - Handle cranky dinosaurs in your life (including children) - Effectively diagnose and treat the "Common CrankaTsuris" When it comes to crankiness, the infection rate in a given room is likely close to 100 percent. When trying to manage that crankiness-as well as your own-the ultimate answer will always be love.

This inspiring and educational book presents examples of LGBTQ+ activism throughout Wisconsin’s history for young people to explore and discuss. Drawing from a rich collection of primary sources—including diary entries, love letters, zines, advertisements, oral histories, and more—the book provides a jumping-off point for readers who are interested in learning more about LGBTQ+ history and activism, as well as for readers who want to build on the work of earlier activists. We Will Always Be Here shines a light on powerful

and often untold stories from Wisconsin’s history, featuring individuals across a wide spectrum of identities and from all corners of the state. The LGBTQ+ people, allies, and activists in this guide changed the world by taking steps that young people can take today—by educating themselves, telling their own stories, being true to themselves, building communities, and getting active. The aim of this celebratory book is not only to engage young people in Wisconsin’s LGBTQ+ history, but also to empower them to make positive change in the world.

The 40 Days Through the Book series has been designed to help believers more actively engage with God's Word. Each study encourages participants to read through one book in the New Testament at least once during the course of 40 days (approximately 6 weeks of meetings) and will provide them with (1) a clear understanding of the background and culture in which the book was written, (2) insights into key passages of Scripture, and (3) clear applications and takeaways from the particular book that participants can apply to their lives. Each study will be recorded in the author's place of residence and will highlight stories and applications that are relevant to his or her ministry in that area. In 40 Days through the Book: Romans Study Guide (DVD/digital downloads sold separately), bestselling author and pastor Max Lucado guides small-group members through Paul's letter to the believers in the city of Rome, revealing what the apostle's words meant to his original readers . . . and how they apply to us today. Participants will be encouraged as they listen to

Max's teachings and, through the accompanying study guide, challenged to read the book of Romans on their own during the forty days they spend together in the study. Designed for use with the 40 Days Through the Book: Romans Video Study (sold separately).

*In Light of the World: A Beginner’s Guide to Advent*, author, professor, and biblical scholar Amy-Jill Levine explores the biblical texts surrounding the story of the birth of Jesus. Join her as she traces the Christmas narrative through the stories of Zechariah and Elizabeth, Mary, the journey to Bethlehem, and the visit from the Magi. These stories open conversations around connections of the Gospel stories to the Old Testament, the role of women in first-century Jewish culture, the importance of Mary’s visitation and the revolutionary implications of Mary’s Magnificat, the census and the stable, and the star of Bethlehem and the flight to Egypt. The book provides a rich and challenging learning experience for small groups and individual readers alike. As part of a larger four-week study that is perfect for Advent, it includes a DVD and a comprehensive leader guide.
