How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life. In *The Walk*, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus' own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church. In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith. Additional components for a six-week adult study include a comprehensive Leader Guide and a DVD featuring the engaging teachings of author and pastor Adam Hamilton. Also available are resources for children and youth.

While many of us naturally wish to avoid the reality of the cross, it's from the cross that Jesus speaks and shows his deepest love for us. It's from the cross that Jesus' full humanity draws us closest to him. It's from the cross, as Jesus breathes his last breath and speaks his last words, that his deep trust in the Father and his divine glory are revealed. Those who listen to Jesus' last words from the cross will discover what he most wants them (the world) to hear and will experience an intimate and divine awe only available to those who are willing to draw near his cross. In *Seven Words*, Susan Robb looks at the seven last words of Christ on the cross through a lens that finds life and hope in his final sayings, while exploring each from a biblical and historical perspective. The book brings a hopeful and contemplative

take on the cross during the weeks of Lent. Additional components for a six-week study include a DVD featuring Susan Robb and a comprehensive Leader Guide.

The 40 Days Through the Book series has been designed to help believers more actively engage with God's Word. Each study encourages participants to read through one book in the New Testament at least once during the course of 40 days (approximately 6 weeks of meetings) and will provide them with (1) a clear understanding of the background and culture in which the book was written, (2) insights into key passages of Scripture, and (3) clear applications and takeaways from the particular book that participants can apply to their lives. Each study will be recorded in the author's place of residence and will highlight stories and applications that are relevant to his or her ministry in that area. In 40 Days through the Book: Romans Study Guide (DVD/digital downloads sold separately), bestselling author and

pastor Max Lucado guides small-group members through Paul's letter to the believers in the city of Rome, revealing what the apostle's words meant to his original readers . . . and how they apply to us today.
