“If you can't spend much, experts say the NordicTrack AudioStrider 990 Pro elliptical trainer is a good value among budget elliptical trainers. The updated 2012 model has a number of features you won't find on most budget elliptical models, including an adjustable stride length (from 20 to 23 inches), automated incline and built-in speakers for an MP3 player.” -ConsumerSearch **Model No. NTEL09811.2 USER'S MANUAL**

The way to tell if your NordicTrack digital console is bad is to troubleshoot it first. If nothing works, you've got a bad console. The digital console is an important part of exercising. A manual machine will still work even if the console doesn't, but an

automated machine needs the console to
work so you can ...
