I have a Norlett Beaver Power Spade which is a great little garden rotovator. Can anyone tell me any of the history of this machine? I've tried googling Norlett but am not getting far. I wonder when it was made - how old it is - where one would obtain spares if required etc. It has a Stratton & Briggs engine. The number on the plate is 010764.

### Norlett Rotovator Manual

The Flymo DM Petrol Cultivator is best described as a rotary cultivator or tiller, also known as a rotavator or rotovator. Model 9647327-01. It was originally made as the Westwood Gemini with a Villiers or Suffolk 98cc engine, presumably Flymo took it over from Westwood.

Instruction Books «  
Reply #109 on: August  
05, 2013, 18:01 » the  
powerspade is a  
simple beast, just  
use the manual for  
the engine, the  
cutting head on the  
powerspade is

rivettted pressed  
metal, so not easily  
servicable, but these  
are still available  
on the internet.
