(Audiobook) by Robert Frost | Audible.com
Robert Frost came into public view with "A Boy's Will" and "North of Boston," his first short collections of poetry. While Frost's "voice" is a bit unformed in these poems, the rich ponderings of nature and love are never stronger, full of "sun-saturated meadows," melancholy looks at life and death, and pearly streams.

Robert Frost. 1915. North of Boston

The title *North of Boston* refers to Derry, New

Hampshire, where Robert Frost and his family worked a farm for twelve lean and very cold years, years when Frost composed at least the first draft of many of these poems, but it also alludes to the great shift of cultural attitudes you encounter—or once encountered—as you move from the intellectual life of Boston to the pastoral atmosphere of New Hampshire and Vermont.
