NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab — Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of

print and online content. eText with MyEnglishLab — Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab: NorthStar — Students use MyEnglishLab to access additional practice online, view videos, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText — Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, video activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through

MyEnglishLab: NorthStar. Classroom Audio CD — Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

W/MyEnglishLab Online Workbook and Resources Pearson College Division Paul Bambrick-Santoyo (Managing Director of Uncommon Schools) shows leaders how they can raise their schools to greatness by following a core set of principles. These seven principles, or "levers," allow for consistent, transformational, and replicable growth. With intentional focus on these areas, leaders will leverage much more learning from the same amount of time investment. Fundamentally, each of these seven levers answers the core questions of school leadership: What should an effective leader do, and how and when should they do it. Aimed at all levels of school leadership, the book is for any principal, superintendent, or educator who wants to be a

transformational leader. The book includes 30 video clips of top-tier leaders in action. These videos bring great schools to you, and support a deeper understanding of both the components of success and how it looks as a whole. There are also many helpful rubrics, extensive professional development tools, calendars, and templates. Explores the core principles of effective leadership Author's charter school, North Star Academy in Newark, New Jersey, received the highest possible award given by the U.S. Department of Education; the National Blue Ribbon Print version includes an instructive DVD with 30 video clips to show how it looks in real life. E-book customers: please note that details on how to access the content from the DVD may be found in the e-book Table of

Contents. Please see the section: "How to Access DVD Contents" Bambrick-Santoyo has trained more than 1,800 school leaders nationwide in his work at Uncommon Schools and is a recognized expert on transforming schools to achieve extraordinary results.

Northstar, now in a new edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the two strands - Reading and Writing and Listening and Speaking - provide a fully integrated approach for students and teachers. What is Special about the New Edition? New Themes and Updated Content - presented in a variety of genres and in authentic materials - challenge and engage students intellectually. Enhanced Focus on Academic Skills, more purposeful integration of critical thinking, and an enhanced focus on academic skills such as inferencing, synthesizing, notetaking, and test taking help students develop strategies for success in the classroom and on standardized tests. A structured approach gives students opportunities for more extended and creative oral practice, for example, presentations, simulations, debates, speeches, public service announcements and more. A New Design with full color pages, more photos, illustrations, and graphic organizers fosters student engagement and makes the content come alive. MyNorthStarLab , the easy-to-use online companion of the NorthStar series, saves time and improves student results. Saves Time With automatically graded exercises for every unit of each book, instructors no longer have to create or grade homework. This gives

them more time to prepare classroom lessons. Instructors can choose exercises and set due dates with just a few clicks. Homework for an entire semester can be set up in less than an hour. Improves Results Students have more opportunities to practice English in more ways - from video exercises and audio discussion boards to vocabulary games and academic practice. These new exercises help students learn more English, more quickly. Immediate feedback on their performance allows students to come to class better prepared. If students do not pass a section of a unit test, they automatically receive new exercises targeting areas that need improvement. The

MyNorthStarLab Access Code card is also available on its own, without the Student Book.
